

## BEHIND THE SCENES SCIMITAR FENCING CLUB

**CROSSED SWORDS:** Members of the Scimitar Fencing Club keep their skills sharp at their monthly mini-competition called the Scimitar League. Held every Tuesday at St Paul's Boys School in Barnes. The Scimitar Fencing Club is the only club in the UK that specialises in only sabre fencing. It was founded by former Olympian and senior national sabre coach to the British men and women's teams Ian Williams. See page 59 in this week's Sporting Life for an interview with 2012 Olympic fencing hopeful and Hammersmith resident Jo Hutchison
