

**FROM
2 FEBRUARY**

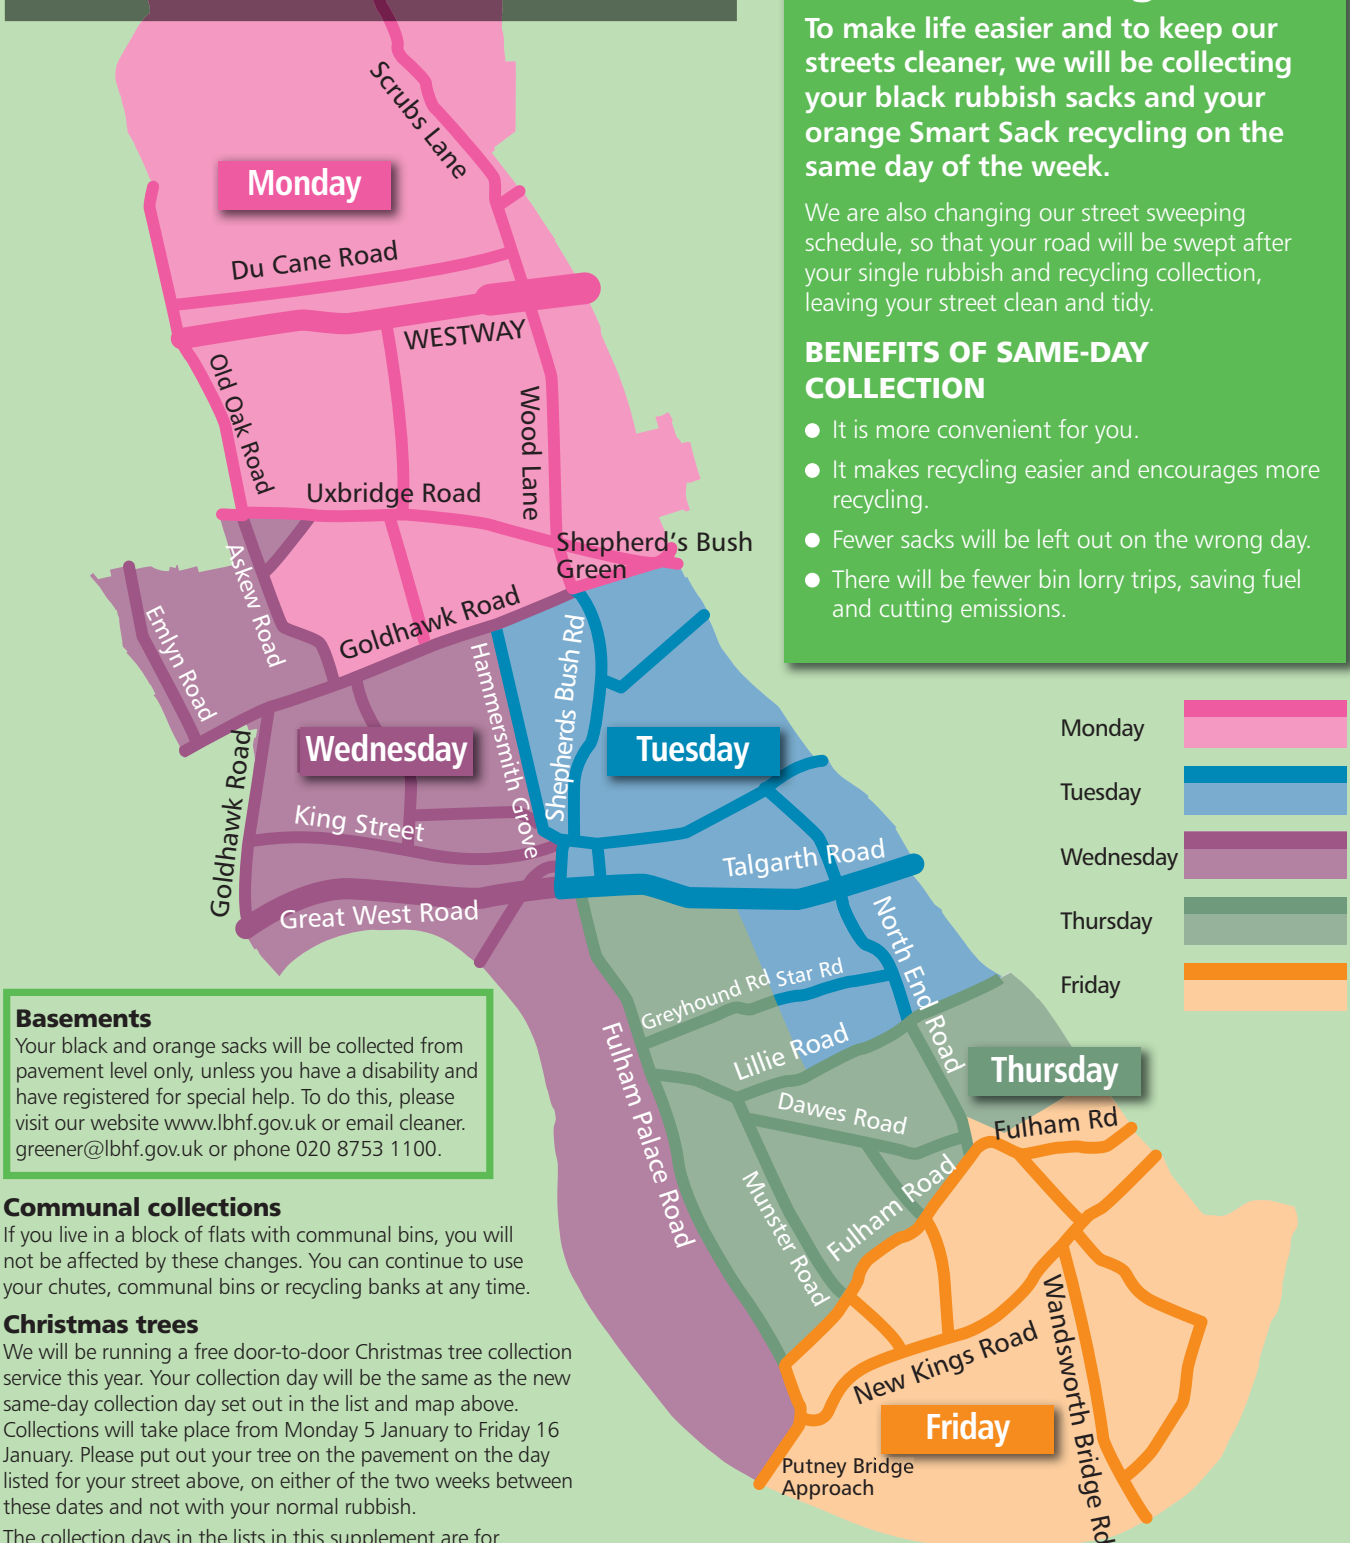

YOUR RUBBISH AND RECYCLING COLLECTION DAY IS CHANGING

For more information:
phone **020 8753 1100**
visit **www.lbhf.gov.uk**

Same day rubbish and recycling collection starts 2 February

Domestic refuse collection zones

Easier, cleaner, greener

To make life easier and to keep our streets cleaner, we will be collecting your black rubbish sacks and your orange Smart Sack recycling on the same day of the week.

We are also changing our street sweeping schedule, so that your road will be swept after your single rubbish and recycling collection, leaving your street clean and tidy.

BENEFITS OF SAME-DAY COLLECTION

- It is more convenient for you.
- It makes recycling easier and encourages more recycling.
- Fewer sacks will be left out on the wrong day.
- There will be fewer bin lorry trips, saving fuel and cutting emissions.

Basements
Your black and orange sacks will be collected from pavement level only, unless you have a disability and have registered for special help. To do this, please visit our website www.lbhf.gov.uk or email cleaner.greener@lbhf.gov.uk or phone 020 8753 1100.

Communal collections
If you live in a block of flats with communal bins, you will not be affected by these changes. You can continue to use your chutes, communal bins or recycling banks at any time.

Christmas trees
We will be running a free door-to-door Christmas tree collection service this year. Your collection day will be the same as the new same-day collection day set out in the list and map above. Collections will take place from Monday 5 January to Friday 16 January. Please put out your tree on the pavement on the day listed for your street above, on either of the two weeks between these dates and not with your normal rubbish.

The collection days in the lists in this supplement are for Christmas trees only, until the new same-day service starts from 2 February. Please continue to put out your black and orange sacks on your current collection day until 2 February.
