Phoenix High School is a Specialist Science College that has recently achieved its Applied Learning Specialism. Phoenix High School Currently caters for approximately 842, 11-16 year olds. The proposal is to change and extend the age range of the school to 11 – 19 years.

School capacity

- 5.—(1) Where the alteration is an alteration falling within any of paragraphs 1 to 4, 8, 9 and 12-14 of Schedule 2 or paragraphs 1-4, 7, 8, 18, 19 and 21 of Schedule 4 to The School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2007, (as amended School organisation and Governance (amendments) (England) Regs 2007) the proposals must also include—

- (a) details of the current capacity of the school and where the proposals will alter the capacity of the school, the proposed capacity of the school after the alteration;

The current capacity is for 900 students aged 11 – 16. After alteration the school will be able to cater for an additional 260 students from the ages 16 – 19. Overall this will give a whole school capacity of approximately 1160 students.

- (b) details of the current number of pupils admitted to the school in each relevant age group, and where this number is to change, the proposed number of pupils to be admitted in each relevant age group in the first school year in which the proposals will have been implemented;

Current Numbers: Key Stage 4 – 842
Sixth Form – 0 (Proposed 130 per academic year)

- (c) where it is intended that proposals should be implemented in stages, the number of pupils to be admitted to the school in the first school year in which each stage will have been implemented;

In September 2010, 130 pupils will be admitted to year 12. From September 2011 an additional 130 students will be added each academic year, servicing students up to the age of 19. This will give a total of 260 places within the Sixth Form.

- (d) where the number of pupils in any relevant age group is lower than the indicated admission number for that relevant age group a statement to this effect and details of the indicated admission number in question.

| <ul style="list-style-type: none">a) Phoenix High School hopes that the creation of the sixth form centre will help to increase our already excellent progression of improved examination results. In 2008, Phoenix High School had a pass rate of 77% 5 A* - C's. The new sixth form centre will enable Phoenix High School to further increase their level of success and examination pass rate.b) The creation of the Phoenix High School Sixth Form Centre, should increase the retention rate of post 16 students in the local area. The Sixth Form Centre will provide an additional 260 student places in the Borough. Whilst it is anticipated that the Sixth Form may attract learners from other schools in the borough, the addition of a sixth form at Phoenix High School will provide a pathway for existing students that does not currently exist. Therefore increasing participation at post 16.c) With the completion of this Capital project to provide an additional sixth form in the area, Phoenix high school will be increasing the number of courses available to local students. Phoenix will provide a number of academic courses such as Maths and English but also offer vocational programmes such as catering and hospitality. These courses will increase the skills and qualifications of students in the area, setting them up for progression into work or Higher education. |
|---|

(2) Where the proposals are to alter the upper age limit of the school so that the school will provide sixth form education, the proposed number of sixth form places to be provided.

Phoenix High School proposes to offer a total of 260 places. This will be split equally, with 130 places each academic year.

N/A

Need or demand for additional places

24. If the proposals involve adding places—

- (a) a statement and supporting evidence of the need or demand for the particular places in the area;

In conjunction with the London Borough of Hammersmith & Fulham and the Learning & Skills Council, Phoenix High School have identified the need for an additional Sixth Form provision in the Borough. The new provision is to provide an additional 260 places and meet the needs of the Boroughs demand.

- (b) where the school has a religious character, a statement and supporting evidence of the demand in the area for education in accordance with the tenets of the religion or religious denomination;

N/A

- (c) where the school adheres to a particular philosophy, evidence of the demand for education in accordance with the philosophy in question and any associated change to the admission arrangements for the school.

N/A

25. If the proposals involve removing places—

- (a) a statement and supporting evidence of the reasons for the removal, including an assessment of the impact on parental choice;

N/A

- (b) a statement on the local capacity to accommodate displaced pupils.

N/A

Expansion of successful and popular schools

25A. (1) Proposals must include a statement of whether the proposer considers that the presumption for the expansion of successful and popular schools should apply, and where the governing body consider the presumption applies evidence to support this.

(2) Sub-paragraph (1) applies to expansion proposals in respect of primary and secondary schools, (except for grammar schools), i.e. falling within:

- (a) (for proposals published by the governing body) paragraphs 1 and 2 of Part 1 to Schedule 2 and paragraphs 12 and 13 of Part 2 to Schedule 2; ;

(b) (for proposals published by the LA) paragraphs 1 and 2 of Part 1 to Schedule 4.

of the Prescribed Alteration regulations.

(3) Whilst not required by regulations to provide this information for any LA proposals to expand a voluntary or foundation school, it is desirable to provide this below.

1) Phoenix High School believes that the presumption for expansion of specialist schools should apply, to offer fair an equal chance to all.
