TRAFFIC MANAGEMENT FOR THE 2025 HSBC CHAMPIONSHIPS: 7 – 22 JUNE 2025

As we approach the start of the tournament, I wanted to confirm final details for the 2025 HSBC Championships at the Queens Club. The following temporary traffic management arrangements will be in operation between Thursday 24 April and Sunday 13 July to ensure the safety and security of all those at and around the HSBC Championships site. The detailed map shown on the reverse can be found online at www.lta.org.uk/residents-information.

- Various parking suspensions will be in place to accommodate the large vehicles in the build and break-down periods, and other parking suspensions will facilitate spectator queuing and access during the tournament (see map legend for the dates each type of suspension will be enforced).
- Large lorries will be escorted into The Queen's Club along Palliser Road against the one-way system on various days between Tuesday 6 May and Friday 11 July. The majority occur between 5am to 6am, with some ad-hoc escorts in the afternoon.
- The Parking Control hours of operation in sections of Zones D and H (dashed line on map) will be extended to 09:00 – 19:00 from Saturday 7 to Sunday 22 June. For more information visit www.lbhf.gov.uk/parking/parking-permits/visitor-permits or call 020 8753 6681.
- Palliser Road (between Comeragh Road and Barton Road) will be one-way, northbound, for all traffic from Saturday 7 to Sunday 22 June.

On recommendation from the Metropolitan Police, four road closures with physical security measures will be in place from 09:00 – 22:00 on days outlined below. The measures deployed will be similar to those used previously and will have no impact on pedestrians. The four locations are (solid red and blue lines on the map overleaf):

- Comeragh Road (between the junctions with Gledstanes Road and Palliser Road) - from Saturday 7 to Sunday 22 June
- Palliser Road (between the junctions with The Queen's Club and Barton Road) - from Saturday 7 to Sunday 22 June
- Perham Road (between the junctions with Gledstanes Road and St Andrew's Road) - from Monday 9 to Sunday 22 June
- Gledstanes Road (between the junctions with Perham Road and Fairholme Road) - from Monday 9 to Sunday 22 June

We will endeavor to minimise the impact on residents with vehicles and those in adjacent properties, however we ask that you follow this advice, if at all possible:

- Zone D Resident Parking, please retain proof of your address in your vehicle as no physical Zone D permits are issued by the Council. If there are parking spaces available, you will be able to drive through the road closures on Comeragh Road and Geldstanes Road when directed by the security stewards.
- The road closures on Palliser Road and Perham Road will not be vehicle accessible at all between 09:00 – 22:00. Therefore, if you need to exit the area, you may need to perform a U-turn to exit via the road closures via Comeragh Road or Gledstanes Road. Traffic stewards will be on hand to assist.
- Limit moving your vehicle during the hours of 09:00 – 22:00 if possible, or park outside of the road closure areas if there is space available.
- Try not to arrange deliveries during the period 7 – 22 June. However, if you do need to have something delivered, or already have a delivery booked, please email us at residentenquiries@queenstennis.info so we can pre-authorise this through the appropriate road closure.
- Follow the instructions given by our security stewards at all times. They are there to keep us all safe.
