Welcome message

Hammersmith & Fulham's 2025 Summer in the City holiday activity and food programme

Gear up for an extraordinary summer with Hammersmith & Fulham's 2025 Summer in the City holiday activity and food programme! Working with LMP Action CIC we're delighted to bring you a season bursting with food, fun, and an array of thrilling activities designed for children and young people. This year, our commitment to supporting families is stronger than ever, featuring a rich lineup of free events and meals throughout the borough.

This summer promises to be a borough-wide celebration! The programme is all about enrichment, learning, and wellbeing. Over 26 local providers will host an extensive variety of activities for ages 4 to 18, and up to 25 for those with additional needs. Whether you're into sports, music, arts and crafts, drama, or dance, there's something

for everyone. Each venue will offer a welcoming, warm environment filled with unique opportunities for children and young people to thrive and enjoy.

This year each week of our summer programme features a unique theme, packed with provider activities and one-off events designed to engage and entertain. Here's a look at our themed weeks:

Exploring our environment

Monday 21 - Friday 25 July

Get outside and explore the green spaces on your doorstep. From nature walks along the Thames to creative eco workshops, this week is all about learning how we can look after our local environment and make Hammersmith & Fulham a cleaner, greener place for everyone.

Levelling up

Monday 28 July - Friday 1 August

Get moving, try something new and challenge yourself physically. Whether it's football, boxing, dance or something totally different, this week is packed with free sports and fitness sessions across the borough to help you build strength, energy and confidence.

Building connections

Monday 4 - Friday 8 August

Planned by Hammersmith & Fulham's Youth Council, this week is all about building positive relationships and tackling the things that affect young people most. Through creative workshops, discussions and group activities, you'll explore friendships, communication and how to support others.

Celebrating creativity

Monday 11 - Friday 15 August

This is your chance to get creative. From music production to art, drama and fashion, there are loads of opportunities to express yourself and try something new. Whether you're a beginner or already passionate about the arts, there's something for everyone.

Belonging everywhere

Monday 19 - Friday 22 August

Led by LMP Action's Youth Board, this week celebrates the mix of cultures, identities and experiences that make up our borough. Join food festivals, storytelling sessions and inclusive activities that help everyone feel seen, heard and valued in Hammersmith & Fulham.

And the best news? Everything is **FREE**. We are dedicated to ensuring families have access to nutritious meals at local clubs or events, making this summer both enjoyable and nourishing.

Stay updated and join the fun

We invite you to explore our digital guide and visit the Hammersmith & Fulham website for the latest updates on activities and events. Seize this chance to dive into exciting new opportunities, get involved in your community, and enjoy a safe, fun-filled summer.

We can't wait to see you there!

**The Hammersmith & Fulham
Holiday Activity and Food Team**

Booking your child's place

Plinth, our booking system, makes registering your child for the H&F programme easy and efficient. To get started, simply visit the Hammersmith & Fulham holiday activity and food web page: lbhf.gov.uk/summerinthecity and navigate to the Plinth booking portal. Here, you can quickly create an account, register your child,

and browse a wide range of engaging activities tailored to their interests and needs. Plinth provides detailed descriptions of each provider and events, including age suitability, accessibility arrangements and availability, helping you make informed choices.

SEND and Accessibility

Our holiday, activity and food programme providers strive to accommodate all children and young people. We encourage parents and guardians to reach out to individual providers to discuss any specific requirements your child may have. This communication is crucial to help us understand how we can best support your child and ensure their safety and enjoyment.

We collaborate with specialist providers who are experienced in working with children with more complex needs. These providers offer targeted programmes and activities designed to cater to the specific requirements of children with disabilities or other additional needs. If your child would benefit from their expertise, please contact one of the specialist providers.

CommUNITY Day

Get ready for an unforgettable day out at the Summer in the City launch event at Ravenscourt Park on Saturday 19 July!

From 12 to 4pm, there'll be free Summer in the City children's activities, including inflatables, live mainstage performances, and creative workshops led by brilliant local youth providers. Young people eligible for free school meals can also enjoy a free meal on the day. Plus, a special celebrity guest will be joining us to help kick off the summer!

Alongside the children's programme, a wider range of community activities will be running until 6pm, including a paid-for fun fair, horse riding opportunities, and signposting stations offering advice and support from local council services.

Whether you're looking to sign up for summer holiday programmes or simply enjoy a brilliant day out with friends and family, this is the event that kicks off the summer in style, don't miss it!

Weekly food and activities for the holidays

This summer, we have a diverse lineup of events planned throughout the borough, ensuring there's something exciting for everyone to enjoy! From engaging workshops and sports activities to cultural festivals and community gatherings, our summer schedule is packed with fun and enriching experiences for all ages.

Visit the Hammersmith & Fulham website for the latest updates and to book your place:

Work experience and volunteering opportunities for young people aged 16-19.

We have been actively collaborating with the Youth Council to explore how best to support the young people in our borough. A crucial need identified through these discussions is the importance of acquiring life skills and gaining valuable work experience. This summer, numerous providers across the borough are offering fantastic opportunities for young individuals to volunteer and gain hands-on experience in various sectors.

Whether you're interested in careers in education, youth work, social care, charity, sports, public services, the arts, or the creative industries, there are plenty of openings for you to explore. These placements are perfect for those looking to dive into

fields that they are passionate about and start building their professional skills early on.

If you're eager to spend your summer learning and working with some of our amazing providers, don't miss out on this chance to enhance your future career prospects. Simply reach out to the providers directly to discuss opportunities and secure your placement. This is a wonderful way to make meaningful contributions, build your resume, and develop skills that will benefit you in the long run. Join us and take the first step towards an exciting and fulfilling career path!

If you're interested in getting involved, email info@lmp-action.co.uk
