

Notice

for cyclists, runners and walkers

The Thames River path is closed between Chiswick Mall and Putney Bridge to cyclists and runners this Bank Holiday weekend between 10am and 6pm from Friday morning to Monday evening.

This is in order to enforce vital social distancing laws - to help protect our NHS and save lives - and allow walkers to take their daily exercise safely.

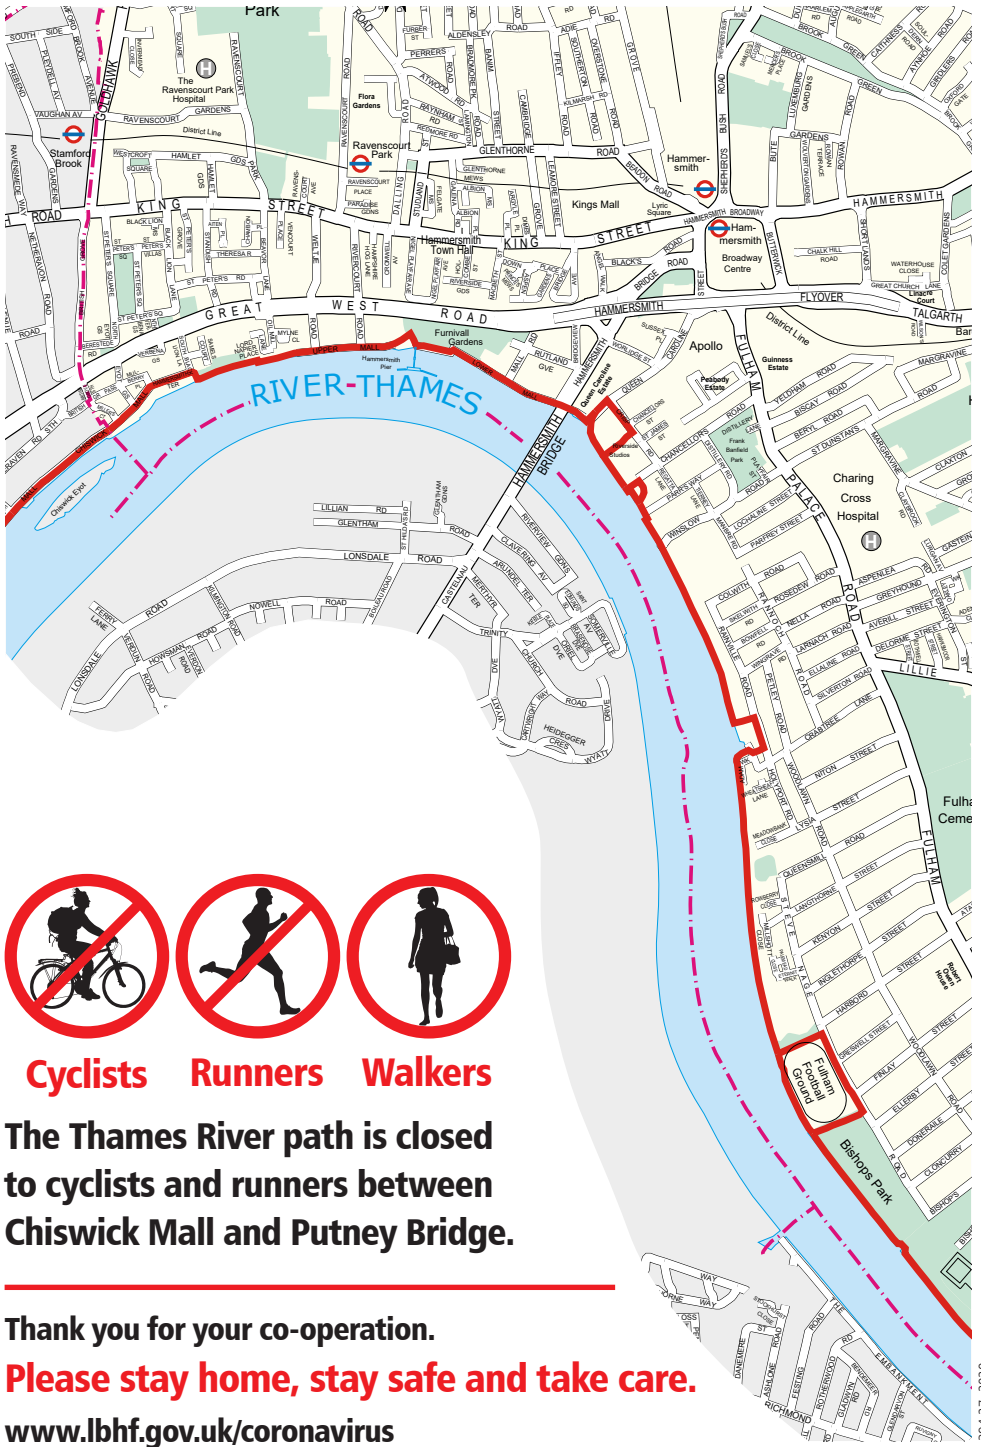

If you are a cyclist or runner, and your journey is essential, please seek alternative routes.

Walkers, please note that, under new social distancing rules due to the coronavirus pandemic, groups of three or more are prohibited, except for family members.

Thank you for your co-operation.

Please stay home, stay safe and take care.
