560	Malcolm	Spalding	Earl's Court Society	Appendix A Policy Context	Para CA7	CA7 remove reference to para (f) - this was specifically deleted from the LDF - otherwise all social and community facilities could be relocated to LBHF as a trade-in for more housing in RBKC.	<p>No change necessary.</p> <p>This repeats Policy CA7 from RBKC's Core Strategy. This policy cannot be amended through the SPD. CA7(f) is not mentioned in CA7(a) as one of the criteria that can be traded for additional housing.</p>
561	Malcolm	Spalding	Earl's Court Society	Appendix A Policy Context		ADD "A firm policy of refusal for any development which might not be accommodated by the transport and traffic infrastructure over the whole Thames to White City corridor. Clear commitment must be demonstrated that the necessary improvements to this infrastructure will be in place before occupation of new premises."	<p>No change necessary.</p> <p>This Appendix repeats existing Policies in the London Plan and Borough Core Strategies. These policies cannot be amended through the SPD. The SPD already controls the impact of development on transport. However, this SPD cannot provide guidance for development outside of the OA boundary.</p>
