

CIL Regulation 123 List ('r123 list') prepared pursuant to the Community Infrastructure Levy Regulations 2010

The r123 List

The council intends that it will or may spend funds received via the Community Infrastructure Levy ('CIL') on part or all of the cost of provision, improvement, replacement, operation or maintenance of the following infrastructure facilities, as listed in the following r123 list, to support development in the borough. The list is alphabetical by category. Inclusion of items in the r123 list does not imply priority, or that the council will spend CIL on every item, or not spend CIL on other unlisted items.

Additionally, there are a number of exceptions to the r123 list where the council intends to negotiate section 106 obligations to secure the provision of infrastructure.

Infrastructure Category & Sub-Category		Regulation 123 list ('r123 List')
ASC	Health	<ul style="list-style-type: none"> • Primary healthcare and out of hospital care team facilities.
CS	Early Years, Schools, Youth	<ul style="list-style-type: none"> • Primary, secondary and special education and youth facilities.

Infrastructure which is excluded from the r123 List and for which provision will be made by means of s106 obligations or s278 agreements

1. For development in **White City East**: the essential mitigation infrastructure listed in the White City Opportunity Area Planning Framework Supplementary Planning Document ('WCOAPF SPD') and the White City Development Infrastructure Funding Study ('WC DIFS') and any other infrastructure required to make development in the White City East area acceptable in accordance with the development plan.
2. For development in the **Earls Court & West Kensington Opportunity Area**: any infrastructure necessary to comply with the Phasing & S106 Strategy set out in the Earls Court & West Kensington Supplementary Planning Document ('ECWK SPD') or which is otherwise required to make a development acceptable in accordance with the development plan.
3. For development in the South Fulham Riverside Regeneration Area, the provision of the northern link road through the National Grid site as required by the South Fulham Riverside Supplementary Planning Document and any necessary other works to mitigate the development of that site including but not limited to any necessary works within Highways Package 2 as defined by the South Fulham Riverside Development Infrastructure Funding Study ('SFR DIFS').
4. An item of infrastructure (or the improvement, replacement, operation or maintenance of any infrastructure) that is specifically required to make a planning application acceptable (subject to there being no more than five planning obligations (already entered into since April 2010) for that item at the time).
5. Provision of on-site accommodation for infrastructure purposes where the cost of occupation is met from sources external to the development (e.g. occupation on commercial terms).
6. Replacement of any existing infrastructure facility that is proposed as part of a development proposal.
7. Provision of infrastructure which is required to ensure compliance by a development with a policy of the Development Plan and any relevant SPDs which specifically requires provision on the relevant site.
