

Varsity Boat Race– Sunday 29 March, 2020

Dear Resident,

The annual Oxford vs Cambridge boat race event will be taking on 29 March.

The weekly farmers market will be running in Bishops Park for extended hours between 10am till 12pm, with additional hot food stalls in attendance from 1pm till 6pm especially for the boat race. There will also be bars and a screen.

The free event from 1pm includes food stands provided by the weekly farmers, bars, a large spectator screen and other activities.

To set the event up safely, we may need to section off small areas of the park, but will keep disruption to a minimum.

Due to the elevated risk to public safety, Hammersmith Bridge will be closed to all pedestrians crossing over between 12am – 5pm on Sunday 29 March.

Please visit www.tfl.gov.uk to make alternative travel arrangements and www.theboatrace.org for alternative viewing areas

Litter picking & waste removal will take place throughout the day of the race and the morning of Monday 30 March.
