## recycling tips

batteries

Recycle your old batteries in the special bins at our libraries and council offices. There are also bins at many supermarkets and stores.

food waste

For tips to help reduce your food waste this Christmas, check out [www.lovefoodhatewaste.com](http://www.lovefoodhatewaste.com). If you have a garden, why not get a composter from [www.lbhf.getcomposting.com](http://www.lbhf.getcomposting.com) and recycle your leftover sprouts?

large appliances

Need a bulky waste collection? For large items, like furniture or appliances, call **020 8753 1100** to book a bulky waste collection. (Charges apply).

Please don't put these in your recycling sack or smart bank:

X Shredded paper

X Clothes and textiles (see left)

X Hard plastics and soft plastics

X Aerosols

X Food waste

- X Any items not ticked on the previous page
- X Nappies
- X Electricals and cables
- X Wood

### Aerosols? No can do

For safety reasons, we're no longer recycling aerosol cans. If you've got cans to dispose of, please now put them in your general waste.

# Don't forget to recycle your tree!

**REAL  
TREES  
ONLY**

## Free Christmas tree recycling collection

If you normally get an on-street rubbish collection, simply leave your tree where you'd leave your rubbish.

### Please make sure:

- it is clearly visible
- it is not obstructing the pavement
- all decorations and pots are removed.

Please put your tree out for collection before 7am on your collection day (check the front page of this leaflet) between Thursday 2 January 2020 to Wednesday 15 January 2020

**Trees will be collected in the afternoon.**
