

Recycle more

**Please put all these
in your recycling sack
or smart bank:**

✓ Paper, card
and cardboard

✓ Cans and tins

✓ Plastic bottles, pots,
tubs and trays

✓ Glass bottles
and jars

✓ Cartons

**Please ensure
all items are
clean and dry**

You can leave the lid on

Don't forget, lids can be left on plastic bottles and cartons and metal lids placed loose on glass jars.

Top Christmas

mixed
paper & card

Recycle Christmas cards and wrapping paper (not metallic wrapping paper) in your clear sack or smart bank.

small
appliances

Recycle small electrical items, such as mobile phones and hair dryers, by organising a free collection from Traid. To book, call **020 8733 2595**, or visit our website.

mixed textiles
& clothes

Traid also offers a free collection for clothing and textiles. Call **020 8733 2595** to book. Alternatively, you can find your nearest textile recycling bank at www.recyclenow.com

**Run out of clear
recycling sacks?
Just pick up a new roll
from your local library
or council building.**

this Christmas

recycling tips

batteries

Recycle your old batteries in the special bins at our libraries and council offices. There are also bins at many supermarkets and stores.

food waste

For tips to help reduce your food waste this Christmas, check out www.lovefoodhatewaste.com. If you have a garden, why not get a composter from www.lbhf.getcomposting.com and recycle your leftover sprouts?

large appliances

Need a bulky waste collection? For large items, like furniture or appliances, call **020 8753 1100** to book a bulky waste collection. (Charges apply).

Please don't put these in your recycling sack or smart bank:

Shredded paper

Clothes and textiles (see left)

Hard plastics and soft plastics

Aerosols

Food waste

- Any items not ticked on the previous page
- Nappies
- Electricals and cables
- Wood
- Metal items
- DIY materials
- Polystyrene
- Foil

Aerosols? No can do

For safety reasons, we're no longer recycling aerosol cans. If you've got cans to dispose of, please now put them in your general waste.
