

Financial Viability Declaration

Site address:

Has any of the viability information been prepared on the basis of performance related or contingent fees or similar arrangements?

Yes

No

I confirm that:

All viability information submitted in support of the application has been submitted in good faith and to the best of our knowledge accurately represents a true and fair reflection on the scheme's viability and that the applicant has not (and will not) submit any viability information which it knows or considers to represent an inaccurate position on viability.
