

## Statutory Succession and Discretionary Award of Tenancy Policy

### 1. Introduction

- 1.1. Succession is the right of a spouse, civil partner, partner, or qualifying family member to take over a secure tenancy following the death of the tenant (where the property was the applicants only and/ or principle home).
- 1.2. If someone does not have this statutory right to take over the tenancy, the council may decide to award a Discretionary tenancy- there are certain criteria the applicant would need to meet for this to be granted.
- 1.3. This policy ensures the council meets its legal requirements for statutory successions and sets out the policy for awarding these discretionary tenancies.

### 2. Purpose

- 2.1. To outline how we award statutory successions and discretionary awards of tenancy, reflecting current legislation on successions and the council's housing allocations scheme.

### 3. Scope

- 3.1. The statutory succession and discretionary award of tenancy policy applies to all Hammersmith and Fulham Council tenants.

### 4. Policy

- 4.1. Under sections 87 and 88 of the 1985 Housing act, occupiers of council housing have a legal right to succeed to a secure tenancy, providing that:
  - There has been no previous succession or a previous succession was completed prior to the 3rd October 1980.
  - They occupy the dwelling house as their only or principal home, and
  - They are either the deceased tenant's spouse or civil partner, a joint tenant, or another qualifying member of the deceased tenant's family (where the tenancy was created before 1<sup>st</sup> April 2012).
  - If they are not a spouse or civil partner, that they have been resident with the late tenant for at least 12 months before his/her death.
- 4.2. Qualifying family members for a succession (for tenancies created before 1<sup>st</sup> April 2012) as set out in the 1985 housing act include:
  - Spouses, parents, grandparents, children, grandchildren, siblings, uncles, aunts, nephews and nieces; including step-relations, half-relations and 'persons living together as husband and wife' (this would include a partner).
- 4.3. The statutory right only applies to the first time that a succession occurs, but beyond this, the Council will use its discretion to allow a new tenancy to be granted in the following circumstances:

- a) The person applying for succession has lived continuously in the property as their principal home for twelve months before the death of the tenant **and**
- b) They are the spouse, civil partner, a close relative of the tenant, or someone who has lived with the tenant to provide them with care, without which the tenant could not have maintained their tenancy **and**
- c) They would qualify for the property under the council's allocations policy including being both an **eligible** and **qualifying** person(s).

The full eligibility criteria are set out in the Scheme of Allocations and in the Procedure document. The housing manager will decide whether to grant a discretionary award of tenancy in consultation with H&F advice and Housing Options where necessary.

- 4.4. Where a statutory successor (with the exception of a spouse or civil partner) is under occupying the property (the property has more bedrooms than are required), the council will seek possession through a possession order under Ground 15A of Schedule 2 of the Housing Act 1985.
- 4.5. If an applicant is required to downsize, they will be made two suitable offers of accommodation in line with the scheme of allocations.
- 4.6. If an applicant is required to move property as a result of a succession application, they will be in Band 1 on the housing register.
- 4.7. Should the two direct offers of accommodation be refused and the case referred to court, the allocations team will not hold either of these properties but will make a third offer if the court grants possession.
