

The **Hammersmith and Fulham Community Sports Award** is an event to celebrate everyone that is helping to make sport and physical activity popular, fun and successful for the community.

Each year we ask **YOU** to tell us about the inspirational people that you know and to nominate them for an award in one of our 9 categories. This year these are:

Young Volunteer Award

This is an award for anyone under the age of 18 years that is regularly supporting sport or activity in the community. This might be at a school, youth club, sports club or multiple community settings. They could be helping with coaching, organising or promoting sessions and are seen as an integral part of the activity.

Adult Volunteer Award

This is an award for anyone aged 18 years or older that is regularly supporting sport or activity in the community. This might be in one or multiple community settings. They could be helping with coaching, organising or promoting sessions and are seen as an integral part of the activity.

School Ambassador Award

The school ambassador award can be a person young or old that is helping to increase more sports participation, leadership, volunteering. Their influence might be for activities on site or encouraging the extended school community to be more active.

Inclusive Activity Award

This award recognises organisations or individuals that are enabling disabled people or those living with long term health issues to access sport or wider physical activities in the community. This might be a club, project or individual.

Young Athlete Award

The Young Athlete Award celebrates young sports participants under the age of 18 years that has excelled in the last 12 months, perhaps seeing a dramatic rise in competition results or individual rankings.

Coach or Instructor Award

The coach or instructor award recognises people that excel in their role, often being highly motivational and inspiring people to regularly attend and develop themselves and their skills.

Engaging Sport or Activity Project

This award recognises projects that seek to engage participants in fun and social physical activity which promote personal development and getting active, but are not directly working towards participation in a league or competitions.

Sports Club Award

This award recognises a more traditional sports club model where people come together to train on a regular basis and compete in league and cup competitions. Typically groups affiliated to leagues and sports governing bodies.

Outstanding Contribution Award

This is an award to recognise individuals that have devoted several years to improving sports or general physical activities across Hammersmith and Fulham. This might be as a member of a club or sports venue, school and include roles such as coach, teacher, club official, referee and more.
