What is Hammersmith and Fulham Youth Zone?

Open seven days per week, Hammersmith and Fulham Youth Zone will be a state of the art youth hub based in Ed City – a new innovative education hub in White City.

The Youth Zone is being developed by national charity OnSide Youth Zones and will be a place where you can make new friends, take part in fun & exciting activities such as sports in the four-court sports hall, martial arts room and on the 3G kick pitch; music; arts; drama; state-of-the-art gym; enterprise and employability opportunities and much more.

The Branding process

OnSide has set up a Development Group consisting of young people from across Hammersmith and Fulham and together with ZAK agency, they were tasked with creating an identity & logo for the Youth Zone for the young people in the borough to vote on.

The group came up with two names and working with Zak developed logos that they feel will represent the Youth Zone and the young people of Hammersmith & Fulham.
