Dear Sir/Madam

We are writing to inform you that Higgins Partnerships was appointed as a Main Contractor for the construction works at the Hartopp & Lannoy development.

As part of our site enabling works, 4 trees along Pellant Road will have to be cut down and removed from the premises. These trees will be replaced at the end of the construction process when the new landscaping will be installed.

The tree surgeon company will attend site week commencing the 17th of April and works are assumed to last 1 week.

During this period, there might be localised parking restrictions and/or pedestrian traffic diversions to avoid any damages or injury.

Please find attached a marked up plan showing the works area.

We apologise in advance for any inconvenience caused.

Kind regards

Higgins Partnerships Project Team
