Apply online: www.lbhf.gov.uk/schooladmissions

The Pan-London eAdmissions site opens on 1 September 2018.

If your child is currently in Year 6 and born between 1 September 2007 and 31 August 2008, you will need to apply for a secondary school place by 31 October 2018.
The benefits of applying online

- It is quick and easy to do.
- You can apply from any location with internet access 24 hours a day, seven days a week until the closing date, 31 October 2018.
- You can log back on to change or delete preferences up until 11.59pm on the closing date.
- You can register your mobile phone number to receive reminder alerts.
- You will automatically receive a confirmation email, with your application reference number, once you submit your application.
- You are able to attach additional documents.
- During the evening of 1 March 2019, you will be sent an email informing you that your outcome is available.
- Once you have received this email, you can log onto the Pan-London eAdmissions website and accept or decline your offer.

If you would prefer to complete a paper application form, these can be obtained from the admissions team (contact details can be found on the back page of this leaflet).
Where to obtain the information you need

Each September all local authorities provide information for parents that sets out the admissions process and procedures. This leaflet has been produced to provide you with some basic hints and tips on the application process and is a first step towards obtaining more detailed information.

Hammersmith & Fulham’s ‘Moving on up’ brochure about transferring to secondary school will be available online from the beginning of September at: www.lbhf.gov.uk/schooladmissions. The brochure explains the application process in detail and sets out the admission criteria for each school in Hammersmith & Fulham.

Where possible, parents/carers are encouraged to access information online. You can also obtain more detailed information from each of the secondary schools by visiting their websites and attending open days/evenings.

All the contacts you will need can be found in the brochure of the local authority where schools are located.
Research, research, research!

You must do your research on the schools that you are interested in applying to. You can do this by:

- Reading the admission criteria to find out if your child is likely to be offered a place, and look at how places were offered in the previous year.
- Attending open days/evenings held at the schools. Dates and times for H&F schools are included in this leaflet.
- Checking if the schools you want to apply to require your child to take a test.
- Checking if the school requires additional forms to be completed. This would normally apply to church schools.
- Speaking to your primary school head teacher. They will have experience based on previous transfers.
- Contacting the admissions team for advice if you are unclear how the system works.
Hints and tips for applying

Familiarise yourself with the admission criteria for schools

When you begin researching schools, you will need to read the admission criteria for the school you want to apply to. The admission criteria is often very different for each school so you must read the criteria carefully in order to assess the likelihood of your child being offered a place. To give you some examples of what to check for:

- Church schools will give priority to applicants that can demonstrate practice of the respective faith if they receive more applications than places available.
- There are schools that will require your child to sit a fair banding test.
- Not all schools give priority to siblings so you will need to check this first.
- Distance from home to school is often used as a tie-breaker, but there are schools that use random allocation (lottery).
- Some schools have a priority area and/or feeder primary schools.

These are some factors that you need to be aware of when deciding which schools to apply for.

In all cases, if a school receives more applications than places available, the school’s admission criteria must be applied. There is no guarantee that your child will be offered a place at your preferred school, even if it is the closest school to where you live.
Be realistic: remember you can apply for up to six schools

Please remember that you can apply for up to six schools. Even after you have researched the schools and you have decided where to apply, unless you are 100 per cent sure that your child will be offered a place (if, for example, there will be a brother or sister attending and this gives priority in the school’s criteria), you should not assume that your child will be offered a place. You should also consider other schools where you know you will have a good chance of gaining a place.

Adding further schools to your list will not affect your chances of being offered a place at a higher preference school. Schools are not informed of other preferences you have made or the order in which you place them.

Take special care how you order your preferences

The school preferences you make are treated equally. This means that no matter where you place a school in your list of preferences, it will be treated in the same way as all other applicants who also chose that school – regardless of where they have placed the school in their list.

The reason it is so important to list the schools in the order of your preference is that when results are returned to the admissions team, we may receive offers for more than one of your preferences. As only one offer can be made to your child, you will be offered the highest school possible from the list you provided. Any offers made lower in your list will be withdrawn and put back in the system.
Do I need to provide additional information?

There are some schools, usually church schools, which require you to complete a supplementary information form (SIF). The SIFs for Hammersmith & Fulham schools will be available from the individual schools and on the council website. The ‘Moving on up’ secondary admissions brochure states which schools require a SIF and any other documents. The online system will alert you when you enter a preference for any school that requires additional forms to be completed. You must return the SIF and any other documents to the school, but make sure that you also submit the application itself naming the school in your list of preferences.

You must submit your application on time

You must submit your application by 31 October 2018. If you are a Hammersmith & Fulham resident you will not be able to apply online after this date and will need to request a paper form. If you submit your application form after this date without a valid reason, your application will be considered after all of those which were submitted on time. This will greatly affect your chances of being offered the school you want.

Will I definitely be offered one of my preferences?

No. To increase your chances of being offered one of your preferred schools you must research the admission criteria for the schools you are interested in. You should put at least one school in your list where you are reasonably certain your child meets the criteria (e.g. sibling already at the school and this is a high priority in the school’s criteria).

For further advice you can speak to the admissions team or the school who will be able to offer you guidance on the likelihood of your child being offered a place based on the information you
provide. It is not possible to give any guarantee of the outcome of your application.

What happens to the preferences that I have not been offered?

Any preferences lower than the offered school will be withdrawn. You will automatically be placed on the waiting list for any higher preference schools that were not able to offer your child a place. You also have the right of appeal to an independent appeal panel against the decision not to offer your child a place at your preferred school(s).
Visiting dates for Hammersmith & Fulham schools

Ark Burlington Danes Academy
T 020 8735 4950
W www.burlingtondanes.org
Open evening
Thursday 11 October
Open morning
Monday 15 October
