

2021 Smart Recycling Sack Deliveries

London Borough of Hammersmith and Fulham

In order to improve efficiencies within the service we will now be delivering 2 rolls of Smart Sacks per delivery twice a year.

Two rolls of 25 clear recycling sacks will be delivered every six months to all residents who put their recycling and refuse kerbside for collection. Smart Sacks are not provided to properties with wheeled bins or communal recycling bins with an orange lid. To see when you can next expect a delivery, first look below to find the delivery weeks within which your street falls. Then, simply match the week number to the delivery dates shown below.

If you are uncertain of your delivery date or whether your property should be receiving clear sacks please contact Cleaner Greener on 0208 753 1100 or at Cleaner.Greener@lbhf.gov.uk.
