**For the attention of Mr T Cardis**

Dear Mr Cardis,

**EARLS COURT PLANNING APPLICATION 2  
REF. 2011/02001/OUT**

In relation to the above referenced planning application, you have asked for confirmation from the applicant, EC Properties Limited, that the application proposes no change of use to the Empress State building.

The planning application proposes the demolition and alteration of existing buildings and structures and the comprehensive redevelopment of the Site. This is with the exception of the Empress State building. The building is currently in business use (Use Class B1) and no change of use is proposed. Any change of use would require a separate planning application in the future.

I trust this letter provides sufficient clarification on this matter. Of course, let me know if you have any queries or require any further information.

Yours sincerely,
