For the attention of Mr J Finlayson

Dear Mr Finlayson,

**EARLS COURT PLANNING APPLICATION 2
REF. 2011/02001/OUT**

Further to our recent discussions, please find enclosed an Addendum to the Housing Statement originally submitted in June 2011 in support of the above reference planning application. This is submitted on behalf of the Applicant, EC Properties Ltd.

The Addendum provides details of a change to the amount of affordable intermediate tenure units and floorspace proposed as part of Application 2. However, importantly – and as confirmed by the Addendum – there is no change overall to the amount of affordable intermediate tenure units and floorspace proposed scheme-wide (i.e. the combination of Application 1 and Application 2).

Please let me know if you have any queries in relation to the above or require any further information.

Yours sincerely,

CRAIG TABB
