Welcome

Dear Parents and Carers

We have put together this *Moving On Up* brochure, along with our *Hints and Tips* booklet to help make it as easy as possible for you to find the school that is the right fit for your family.

Having been brought up in the borough – going to school here and later spending seven years working in a school – I know we have some of the most dedicated, caring and inspirational teachers and school staff in the country.

That is one of the key reasons that 93% of all schools in Hammersmith & Fulham have an Ofsted rating of ‘good’ or ‘outstanding’, which is far higher than the national average.

Competition for places is high, but I’m confident that there is a local secondary in Hammersmith & Fulham that can inspire your child to achieve their best while enjoying a vibrant school community.

My strong advice is that you visit as many schools as you can, as every secondary school has something different to offer your family. Open evenings and mornings give you a valuable opportunity to get a feel for the school and meet the headteacher, staff and current students. Dates and times of the open evenings and mornings for each school are in this brochure and online.

I really hope you find the information about the borough’s schools, and the advice on how to apply, helpful and wish you all the best in making your decision.

Cllr Larry Culhane
Cabinet Member for Children and Education
Hammersmith & Fulham Council
Introduction to Hammersmith & Fulham’s secondary schools

This brochure is for parents of pupils aged between 11 and 16, focusing on issues for those with children transferring from primary to secondary school. It provides information about how and when to apply for a place, explains how admission decisions are made and gives information about each school to help parents decide which schools to apply for.

Hammersmith & Fulham offers a wide range of secondary school options including single-sex Catholic, Church of England and non-denominational schools for both boys and girls and a range of co-educational schools including Academies and Free Schools.

At present, the only school in the borough with a priority area is Hammersmith Academy and the chances of receiving a place at the school if you live outside the priority area are reduced. The fact you live in Hammersmith & Fulham or your child may attend a primary school in this local authority area will not give you priority in terms of gaining admission to one of our schools.

All the schools in the borough with the exception of the two Catholic schools will, however, consider the allocation of all or a percentage of their places on the basis of proximity to the school and you should consider carefully how far you live from each school and the distance from the school at which the last offer was made in previous years.

Hammersmith & Fulham’s two Catholic schools have a reputation that extends beyond the borough and recruit pupils from a wide area. Lady Margaret School and Fulham Boys’ School offer places based on church attendance and either on proximity to the school or random allocation, with the former also offering within bands to receive an equal spread of ability, whilst Ark Burlington Danes Academy allocates a percentage of its places to children who are attending Church of England primary schools. Further on in the brochure you will find the admission policy for each school. You must read these to judge the likelihood of your child being offered a place.

It is important to check the admission criteria for each school to assess whether your child is likely to be offered a place. You can also find information on the number of applications each school received for admission in September 2018. The higher the number of applications, the harder it will be to gain a place, so looking at each school’s criteria becomes even more important. You need to be aware the outcome can be different each year, depending on the number of applications submitted and the type of cohort that applies (e.g. the number of siblings). This information is therefore provided as a guide to help you to make an informed decision.

When considering your preferences, do not rely solely on what you may have heard about a school’s reputation. Visit as many schools as possible on their open days or evenings. Take your son or daughter with you and, if you can, visit the school when it is at work.

Further details about each school can be found on pages 26-54. Each school also issues its own prospectus, available directly from the school.

Many of the questions parents raise are answered in this brochure, but if you need further information, the admissions team will be pleased to help.

Introduction

Pan-London system
Every year around 80,000 pupils living in London transfer to secondary schools, many crossing borough boundaries to do so. All 33 London boroughs, together with councils bordering the capital, use a Pan London system to co-ordinate admissions to their secondary schools.

This co-ordinated admissions system is fairer and means more parents are offered one of their preferred schools at an earlier stage and fewer parents receive no initial offer at all. It is also easier for parents to manage, reducing anxiety for you and your children.

How the system works
Under the Pan-London Co-ordinated Admissions System (PLCAS), all parents must list the schools they want to apply for on their local authority’s common application form, ranking them in order of preference. This is important, as potentially only one offer will be made and this will be for the highest-ranked school able to make the offer. This form (either paper or online) is returned to the local authority for the area in which the child lives.

The local authorities taking part in the PLCAS then use a secure computerised system to pass on details of the applications for schools in other areas. They will also co-ordinate the offer of places to make sure no child is offered more than one school place. The decision on whether a place can be offered will continue to be made by the Admission Authority for each school. When a school receives more applications than places available (also referred to as oversubscribed), its published admissions criteria will be used to decide the order in which applicants will be offered places.

Schools will not be informed of where they are listed on the application form or other schools that have been applied for. Where a child is eligible to be offered a place at more than one school, the local authority will hold the offer for the highest preference on the parents’ form and release all other lower preference offers. These places can then be offered to other applicants. Potential offers are exchanged between local authorities until they are in a position to make the single best offer to parents using all available places.

All offers will be made on the same day: 1 March 2019.

Gathering information
To make an informed decision about which secondary schools to apply for, you are advised to read the information about the schools in this brochure and research the schools you are interested in applying to.

You are advised to:
● Contact schools you are interested in directly to ask for a copy of their prospectus which will provide you with detailed information.
Introduction

You must submit your application by Wednesday 31 October 2018

- Visit schools’ own websites to find out more detailed information. If you want to find out about Ofsted reports for H&F schools visit www.ofsted.gov.uk
- Check how places were offered last year for schools that offer on distance by viewing the ‘distance maps’ on the council website: www.lbhf.gov.uk/children-and-young-people/schools-and-colleges/school-admissions/cut-distance-maps
- Arrange to attend schools’ open days and evenings. These can be found in the individual school section.
- Talk to your child’s primary school headteacher. They will have experience of previous transfers.
- Contact the admissions team for advice if you are unclear as to how the system works on 020 8753 1085 or email your query to school.admissions@lbhf.gov.uk

Considering the facts

Many schools receive more applications than they have places (also referred to as oversubscribed). To avoid disappointment you should consider whether your child has a realistic chance of gaining a place at your preferred school(s).

You are advised to consider the following:

- Look at how many applications were made for your preferred school(s) last year compared to how many places were available. This information can be found in the individual school section of this brochure on pages 26-54. The same information can be found for schools in other boroughs in their equivalent brochure. It is important to note the pattern of admissions can vary from year to year. As an example, living within the distance in which places were offered in a previous year does not guarantee a place will be offered in this year or future years.
- As indicated above, you can also view the distance maps located on the council website.
- You must read the admission criteria for the school(s) you would like to apply to. The criteria will determine the order of priority for each applicant. As an example, church schools will prioritise applicants who meet the respective faith criteria if that school receives more applications than places available.
- Not all schools give priority to children with siblings already attending the school so you will need to check the admission criteria.

- All church schools (and some Academies and foundation schools outside the borough) have additional supplementary forms to complete, which are available directly from the schools. Supplementary information forms must be returned to the school. The schools in Hammersmith & Fulham that require you to complete supplementary forms will be indicated in the school section.
- Within the schools section you will see how many appeals were submitted for each school and the number that were successful, which will be very few. Be realistic: remember you can state up to six preferences. Even after you have researched the schools and you have decided where to apply, you should not assume your child will be offered a place. You should also consider other schools where you know you will have a good chance of gaining a place. Naming other schools will not affect your chances of being offered a place at a higher-preference school.
- Schools are not informed of other preferences you have made or the order you place them.
- The preferences you make are treated equally. This means no matter where you place a school in your list of preferences, it will be treated in the same way as all other applicants who also chose that school, regardless of where they have placed the school in their list.
- The reason it is so important to list the schools in your order of preference is that when results are returned to the admissions team, we may receive offers for more than one of your preferences. As only one offer can be made to your child, you will be offered the highest school possible from the list you provided. Any offers made lower in your list will be withdrawn and put back in the system. Take special care how you order your preferences.

Applying for schools outside Hammersmith & Fulham

You may also wish to consider schools outside the borough. Under the PLCAS, Hammersmith & Fulham residents can apply for schools anywhere in London and this will need to be listed on your application. Detailed information about schools outside the borough will be available directly from the schools and from the local authority for the area in which they are located.

The contact details for all London boroughs are provided on pages 64-65. Please remember to check the admission criteria to assess whether your child is likely to be offered a place.

Closing date for applications

The closing date for applications is 31 October 2018. For all the reasons detailed on page 15 it is highly recommended you apply online at www.lbhf.gov.uk/schooladmissions

If you would prefer to complete a paper form, you must return it by the closing date to the address shown on the form. If you would like confirmation we have received your application, please indicate this when you submit the form. Make sure you use the correct postage if you return your form through the post. Incorrect postage may delay your application, preventing it from reaching the admissions team by the closing date.

Proof of address

The address you provide on your application must be your child’s permanent address on close of applications, 31 October 2018. You must not use a business address, childminder’s or relative’s address, or any address other than your home address. Only in circumstances where the relative or carer has legal guardianship and is the main carer will a different address be considered as the main residence. Evidence will be requested to support this arrangement.

If you have a genuine 50/50 share care arrangement with your child’s other parent, it will be for you to determine the address that will be used as the main address for your child’s application. Only one address will be used throughout the application process. If you are unable to agree on which address to use, the address of the parent making the Child Benefit claim will be used for the purpose of the application. In the situation where there are ongoing Family Court proceedings, the council will consider the approach to be taken for processing on a case by case basis.

You do not need to provide us with documentary evidence of your address. Your details will be cross-referenced with internal council databases, and if we are unable to verify your address we will contact you for more information. If you are not registered to pay council tax, either because you are not liable or have recently moved, you will be asked to provide one of more of the following:

- A mortgage statement/tenancy agreement.
- A recent utility bill or, if you have moved, your closure bill at your previous address.
- A Child Benefit/Inland Revenue document (if entitlement applies).
- For members of the UK Armed Forces and Crown Servants, an official letter confirming the address of your quarters. This can be provided before you have relocated to ensure your application is not disadvantaged.
If you own or rent more than one property, you should state this on your form. You will also need to provide proof of residence and occupancy for the address at which your child lives most of the time and is considered as the main family home.

If you move into a second property for a temporary period purely for the purpose of trying to be nearer to a school, we will use your normal, permanent residence for the purpose of processing the application.

**Change of address**

Any offer made to your child on **1 March 2019** is based on the address you indicated on your application. If you do not inform us of a change of address, any offer that is made to your child for a school that you would not have been eligible for will be withdrawn.

**You must notify the admissions team if you move address.** Your new address will not be updated until proof has been provided. If you move **after 10 December 2018**, your address will not be updated as the process for allocating places would have already started. We are able to send you correspondence to your new address, but your application will be processed using the address you submitted at the close of applications.

**Exceptional need**

All schools have experience in dealing with children with diverse needs. These may be educational, medical and/or social needs. However, in a very few exceptional cases there may be reasons why a child may need to attend a specific school.

If you feel there are exceptional reasons for your child to be considered for a priority placement at a particular school, you must indicate this in the area provided in your application, giving reasons supporting your case. Please be aware not all schools have this criterion in their policy, so it is advised you check this first.

All requests for priority consideration must be supported by a professional, such as a doctor or social worker, who must clarify which school you are making a special case for, the reason why it is necessary for your child to attend this school in particular and the difficulties it will cause your child to attend another school.

It is for you to decide how to support your case and what documents to provide, but these must be submitted by the closing date **31 October 2018**.

**Fraudulent applications**

The London Borough of Hammersmith & Fulham takes very seriously any attempt to obtain a school place by fraud. All cases are fully investigated and the use of internal and external agencies has improved detection rates. Council officers will carry out unannounced address visits as appropriate.

If you know someone who intends to or has used a false address to get a school place, you can report this confidentially to the admissions team on **020 8753 1085** or email school.admissions@lbhf.gov.uk

You do not need to give your name but please provide as much information as possible so that we can investigate the matter fully.

If we find that a school place was obtained using a false address we will withdraw the offer, even after the child has started school, and re-offer to the child who was entitled to the place.

If it is decided not to remove the offer, normally when the child has been on roll for more than one term, any future sibling link will not apply.
The application process

Additional forms to complete

All Hammersmith & Fulham voluntary aided schools have additional Supplementary Information Forms (SIF) and/or a Priest Reference Form or Certificate of Catholic Practice (CCP) to complete, which are available directly from the schools or at www.lbhf.gov.uk/schooladmissions

These forms are necessary for the school governors to determine whether applicants meet their faith requirements or other criteria. If you are applying for a place on religious grounds, you will be required to provide proof of your church attendance and/or religious commitment on the SIF.

The SIF and all additional documents required must be returned to the school. The same will apply for church schools located in neighbouring local authorities. If you name the school on your application and do not complete a SIF, your child will be considered but it will reduce the chance of your child being offered a place. The school will not have any information to consider when judging your application against its admission criteria and, as such, your application will be ranked very low when decisions are made. It is therefore important you complete both forms.

Applications for children living abroad

Applications submitted by resident families working or temporarily living abroad will be processed with all other applicants and must be submitted by the closing date. The address where the child is living at the time of application and at the closing date will be used for the purpose of processing. The applicant must inform the admissions team on their return for the address to be updated. Proof of address and occupancy will be required.

Members of the UK Armed Forces and Crown Servants

For members of the UK Armed Forces and Crown Servants an official letter confirming the address of your quarters is required. This can be provided before you have relocated to ensure your application is not disadvantaged.

Late applications

If you apply after the closing date without a valid reason, your application will only be considered after the offer date: 1 March 2019. Your child’s name will be added to waiting lists along with those unsuccessful applications considered in the initial allocation round.

If there is an exceptional reason for applying after the closing date and by 10 December 2018 (for example, you have just moved to the area), it may be possible to consider your application with those that were made on time. Other circumstances will be considered and each case decided on its own merit.

Examples of reasons that would not be accepted include failure of a primary school to remind a parent to apply, late return from a family holiday or non-receipt of an application form due to postal issues. You are advised to contact the admissions team as soon as possible if submitting an application after the closing date.

Change of preferences

If you wish to change the order of preference of schools listed on your application form and you applied online, you can log back in to your account to change/add/delete preferences up until the closing date. If you did not apply online, you must email school.admissions@lbhf.gov.uk or write to the admissions team before the closing date.

It is not normally possible to accept any changes after the closing date. If you do want to add preferences or change your order of preferences after this date, you must inform the admissions team as indicated above. In most cases, new or changed preferences will be considered only after all other applications have been considered.

Use of your personal information

The London Borough of Hammersmith & Fulham will handle information you have provided for school admission purposes in line with the GDPR 2018.

For more information on this, please visit our Privacy Notice on www.lbhf.gov.uk/schooladmissions
Some schools require you to complete a Supplementary Information Form (SIF)
Completing your application

Guidance on completing your application (paper or online)
The online application is set out in a similar way to the paper form. The following guidance applies to both:

- Naming only the school you most want for your child will not increase his or her chance of being offered a place. It is therefore advised you name further preferences and ones you consider to be realistic options.
- If we receive more than one application for your child, the most recently dated application will be the one we process.
- Because of the demand for places at the most popular schools, your child may not be offered a place at your first preference.

Your child’s name
Please write your child’s name clearly and use the same name you have registered with your child’s primary school.

Your child’s date of birth
You should only be applying if your child is currently in Year 6 in primary school and their date of birth is between 1 September 2007 and 31 August 2008. If your child is in Year 6 and does not fall in this birth range, please speak to your primary school headteacher before completing the application.

Your child’s home address
The address you give must be your child’s permanent address on the closing date for applications. Please see page 10 for more information.

Your child’s primary school
You must include the name of the primary school your child currently attends. If your child is being educated at home, please state this in the space provided.

Details of parent or carer
This section needs to be completed by the parent or carer of the child, who will also need to indicate they have parental responsibility. Only one parent needs to complete this section but you can indicate the name of the other parent in the space provided if you wish.

Relationship to child
Please indicate your relationship to the child (eg mother, father, grandmother, foster carer).

Children with an Education, Health and Care (EHC) plan
You do not need to complete this application if your child has an EHC plan as there is a separate process that is outlined on page 57 in this brochure. If your child is in the process of being assessed for a statement or EHC plan, please complete this application and make us aware of the circumstances. Doing so will ensure the school that is eventually offered to your child is fully aware before admission and can plan accordingly to be able to meet your child’s needs.

Looked After Children
Looked After Children (also referred to as in “Public Care”) and children who have been adopted or made subject to a child arrangement order or a special guardianship order immediately after having been Looked After receive priority for admission to school. The child’s social worker must submit a letter to the admissions team confirming the legal status of the child and the local authority to which the child is/was in care, quoting the child’s full name and current address.

Exceptional need
All schools have experience in dealing with children with diverse needs. These could be educational, medical and/or social needs. However, in very few exceptional cases, there may be reasons why a child may need to attend a specific school. Please refer to page 11 for further information.

School preferences
You can list up to six state-maintained schools, including any voluntary aided (church) schools, foundation schools, Free Schools and Academies, and any schools in neighbouring local authorities, in order of your preference. Please do not name independent/private fee-paying schools on this form – applications to these must be made separately.

You do not have to name six schools, but it is strongly advised you should name as many preferences as possible and include at least one school where you have a good chance of being offered a place.

You will need to read the admission criteria for the schools to determine the likelihood you have of gaining a place. Applying for only one school will not improve your chances of gaining a place at that school.
The application process

Apply online and save time
If you are a Hammersmith & Fulham resident you must complete the borough’s common application to apply for a secondary school place. We recommend you apply online at www.lbhf.gov.uk/schooladmissions

The council will co-ordinate the admission process with the other 32 London boroughs and neighbouring authorities to ensure no child receives more than one offer of a place at a secondary school in London on 1 March 2019. The one offer received will be for the highest-preference school for which your child is eligible. You will have the opportunity to express a preference for up to six secondary schools, Academies and Free Schools, including schools outside Hammersmith & Fulham. You must list them in order of preference. This means you should put your first preference (ie the school you most want your child to go to) at the top of the list, your second preference below and then continue adding any further preferences you would like to make. It is vital you put your school preferences in the order you would like them.

Siblings (brothers or sisters)
If your child has a brother or sister who is currently on roll, and will continue to be so, at one of your preferred schools at the time of admission for the child you are applying for, you must include their details where requested. Relatives such as cousins, uncles and aunts are not considered as siblings, even if they are living at the same address.

Please be aware the definition of sibling can vary, so you are strongly advised to check with relevant boroughs or schools for their definition and if the school gives priority to siblings.

Siblings of former pupils
Some schools give priority to siblings of former pupils in their admission criteria. This does not apply to all schools, so check the criteria for the school you are applying to. If you are applying under this criterion please list the name and date of birth of the former sibling and the school they attended in the relevant box.

Children of school staff
Some schools give priority in their admission criteria to children of staff. This does not apply to all schools, so check the criteria for the school you are applying to. Please indicate in the relevant section if you are applying under this criterion, naming the school you are applying for. You must also provide supporting evidence from the school.

Reasons for preference
Please note schools can only use their published admission criteria to decide which children qualify for a place. It is therefore not necessary to give reasons for your preferences. If, however, there are medical or social reasons why your child should attend the school you have named, please indicate these, as outlined above.

Declaration and signature of parent or carer
You must sign your application to certify you have parental responsibility for the child for whom you are applying and the address on the application is the main residence of the child. If you provide any false or misleading information on the application or in supporting papers, or withhold relevant information, it may render your application invalid and lead to the withdrawal of an offer of a place.

**What will happen next**

**How decisions are made**

**The process**
The admissions team will process any preferences you have made for Hammersmith & Fulham schools and pass on your child’s details to schools that are responsible for their own admissions. If you have applied for schools that are not located in Hammersmith & Fulham, your preference(s) will be passed to the local authority that maintains those schools. At the same time, the admissions team will receive applications for Hammersmith & Fulham schools from residents in other local authorities. All these operations will be carried out via the Pan-London Co-ordinated Admissions System.

The order of your preferences is not revealed to the schools. This information is only known by your home local authority and the authority where the schools are located.

If any school has more applicants than places available, the published admission criteria will be used to decide the order in which applicants will be offered places. The same process is carried out across London and decisions are made by all Admission Authorities by a common deadline and relayed back to the home local authority. This co-ordinated process eliminates multiple offers and will result in your child being offered the highest potential school you named in your list of preferences (if an offer can be made). Examples are shown in the tables below.

You need to be realistic when deciding your school preferences. The following are examples of why an offer may not be made to your child if a school is oversubscribed:

- Other applicants live closer to the school and distance is the tie-breaker.
- You applied for Church school(s) but other applicants met a higher faith category requirement which meant lower categories in the criteria were not reached.
- You live outside of a priority area for a school. Places can only be offered beyond the area if places are available.
- You live close to the school or met the faith criteria but the tie breaker used is random allocation (lottery).

A breakdown of last year’s admissions to each Hammersmith & Fulham school is included in the schools section of this brochure. You will find this information is available for all schools in the respective local authority brochure, which can be accessed online (neighbouring London local authority website addresses and contact details can be found on pages 64-65).

The application process

Notifying you of the outcome

If you made your application online, you will be able to log on to the eAdmissions site using your username and password during the evening of 1 March 2019 to view the outcome of your application and accept or decline any offer made. Letters will only be sent in the post to residents who completed the paper application form. Letters will be sent on 1 March first class.

The email notification or letter will tell you the following:

- The name of the school that can offer you a place. If it has not been possible to offer any of the schools you applied for, the nearest alternative school will be offered to you, if there is one available.
- That any preferences for schools listed lower than the school offered have been withdrawn.
- How to accept the place you have been offered. You should not reject the place unless you have a place secured elsewhere and should indicate the name of the alternative school.
- If you have not been offered one of your school preferences, the reason why and who to contact for further information*. 
- Waiting list and appeal information and who to contact for further details.
- The details of schools which have vacancies, if you did not receive an offer for any of your preferences and you do not want to accept the alternative school offered to you.

*The email notification or letter does not go into the detail of why a place could not be offered and can only inform you that your child did not receive a high enough priority in the oversubscription criteria. You will be able to obtain more detailed information from the local authority where the school is located or the school itself if it is its own Admission Authority. Please contact the admissions team in the first instance. They will be able to advise you.
The application process

Waiting lists

Your child’s name will automatically be added to the waiting list for any Hammersmith & Fulham schools that could not be offered. Any schools you named as a lower preference than the school offered to your child would have been withdrawn under the co-ordinated arrangements. You will need to re-apply to these schools if you want your child to be included on a waiting list.

If you have not been offered a place at a school in another borough and require waiting list information, you will need to contact the school or the borough that maintains the school.

Waiting lists are ordered in accordance with the published admission criteria for each school and places will be offered to children as vacancies arise with no differentiation between on-time or late applications.

The management of the waiting lists for Fulham College Boys’ School, Fulham Cross Girls’ School, Hurlingham Academy and Phoenix Academy are delegated to the admissions team. Waiting list positions will be available from 29 March 2019. Waiting lists for the remaining schools in Hammersmith & Fulham are the responsibility of the respective schools. You will need to contact the school directly for an update of your child’s waiting list position.

As a result of vacancies arising, the governors or admissions team on behalf of the school will determine who is offered the next place(s) in accordance with the published admission criteria and waiting list ranking. You will be notified of any offer that can be made by the admissions team from 29 March 2019.

A child’s position on the waiting list can go down as well as up. For example, if a new application is submitted and they meet a higher priority against the admission criteria for the school, the waiting list will need to be revised to include the new applicant. The offer of a place does not depend on the length of time your child’s name has been on the waiting list and there can never be any guarantee a place will be offered.

You will be contacted at some point during the academic year to indicate continued interest to remain on the waiting list. If you do not respond, your child’s name will be removed from the list unless you inform us otherwise. This exercise is carried out to ensure waiting lists only ever include children who would take up an offer for a school if it became available.

Appeal arrangements

You can make an appeal to each school where your application has been unsuccessful. Appeals are heard by an independent panel. The school will explain to the panel why a place could not be allocated to your child. You will then be heard by the panel and will need to show the school’s published admission arrangements were not correctly applied or there are special reasons why your child should be given a place even though the school is full.

More detailed information about admission appeals is available at www.lbhf.gov.uk/schooladmissions. Guidance will also be provided with your appeal form should you decide to pursue this right.

If you would like to seek independent advice you may wish to contact the Child Law Advice Service which provides free legal information, advice and representation to children, their families and carers. Please see their website www.childlawadvice.org.uk/school-admissions for further details or call 0300 330 5485, Monday to Friday for advice.

Making final arrangements for starting school

The headteacher of the secondary school where your child has been offered a place will invite you to visit the school before the end of the summer term 2018. You will have the opportunity to look around the school and to discuss questions such as school uniform, books, travel arrangements, midday meals and possible financial help.

By the start of the summer holidays, the arrangements for your child’s transfer to a new school should have been completed so they can look forward to starting there in September.
Your child’s name will automatically be added to the waiting list for any H&F schools that could not be offered
What does the law require?

Of parents:
It is the duty of the parent of every child aged five to 16 to ensure the child receives efficient, full-time education, suitable to his or her age, ability or aptitude (and to any special need), either by regular attendance at school or otherwise.

Of local authorities:
It is the duty of every local authority to ensure sufficient primary and secondary schools of appropriate character and with necessary equipment are available to provide all pupils in the area with education suitable to their different ages, abilities and aptitudes.

Does the law guarantee my child a place in the school of my choice?

No. The law states parents may express a preference for any school; however, if more parents express a preference for a school than the number of places available, there has to be an order of priority to decide which children to offer places to. The law allows parents to appeal to an independent panel if their child is refused a place at a school of their preference. Please refer to the section on appeals on page 20 for further information.

Will a school know where I listed it in my application?

No. All applications are treated equally against each school's published admission criteria. Schools are not provided with the preference order as it has no relevance to the decision-making process.

Do I have priority for a school place in the borough I live in?

No. It is against the law for local authorities to give priority to their own residents.

Can I change or withdraw my preferences after I have submitted my application?

Once you have submitted your application, you can change the order of your preferences and the schools you have listed up until the closing date. Changes cannot be made to your application after the closing date except in exceptional circumstances.

The distance you have calculated from my home to the school is further away than the distance I have calculated on a measuring system I used on the internet. What do I do?

The local authority’s geographical measuring system is used for calculating distances from home to school. Distances measured by other means (e.g., private car, pedometer or on the internet) are likely to be calculated on a different basis and should not be relied upon as evidence the local authority’s distance calculation is incorrect. The local authority’s measuring system is designed to be precise, reliable and consistent, and is used for all applications.

The school I have applied for has random allocation to decide who is offered a place. How does this work?

Some schools use random allocation instead of distance in order to determine a rank number order when there are more applications than places available. This may also be referred to as a lottery or ballot. Schools can decide how they apply this method but it must be supervised by someone independent of the school. This can be an individual or an external organisation.

When places become available, random allocation must be used each time to determine the next offer. This will mean that there is no ordered waiting list for schools that use random allocation. Each time random allocation is applied, a record is kept that will show the rank number given to the applicants.

If I decide I prefer a school I listed lower than the school I was offered, can I be considered for a place?

Any preferences that are listed lower than the school offered are automatically withdrawn, so any lower preferences will no longer exist. Any requests after offers have been made for lower preferences will be treated as a new late application. If the school has a vacancy, then it will be possible to offer your child a place and withdraw the original offer made to you. If the school is full your child’s name will be added to the waiting list.
School information

This section contains basic information for each school and a summarised version of the oversubscription criteria. You are advised to read the full admission arrangements for each school you are interested in applying to. These can be obtained directly from the respective school, their website and the local authority’s website.
Common definitions

To avoid repetition, the following common definitions will apply to each school and Academy in this section (unless indicated otherwise in the school’s criteria).

For all schools included in this brochure, children with an Education, Health and Care (EHC) plan that name the school will be allocated a place before any other allocations are made. Further information can be found on page 57.

Looked After Children (also referred to as in “Public Care”)
Children in care of the local authority and children who have been adopted or made subject to a child arrangement or a special guardianship order immediately following having been Looked After. The child’s social worker must submit a letter to the admissions team confirming the legal status of the child and the local authority to which the child is/was in care, and quoting the child’s full name and current address.

Siblings (brothers and sisters)
Children already attending the school who will continue to do so on the date of admission of the applicant. This includes half-brothers or half-sisters, adopted brothers or sisters, stepbrothers or stepsisters or the children of the partner of the parent or carer, provided they live at the same address as the applicant.

Distance from home to school
Unless indicated otherwise in the individual admission criteria for each school, distances are calculated using a straight line (as the crow flies) measurement from the child’s home “address point” (determined by Ordnance Survey data) to the main school gate (as determined by Hammersmith & Fulham Council using its computerised measuring system). The child living closest to the school will receive the highest priority; accessibility by car or public transport will be disregarded.

If applicants share the same address point (for example, those who live in the same block of flats or shared house), priority will be given to those who live closest to the ground floor, then by ascending flat number order. Routes are measured to four decimal places (if necessary).

If, in the unlikely event two or more applicants live exactly the same distance from the school, the offer of a place will be decided by random allocation, which will be carried out independently of the school.

Exceptional need
If this priority forms part of the school’s admission criteria, the governors may, on an individual basis, give priority to applicants who can demonstrate admission to the school is necessary on the grounds of professionally supported educational, medical and/or social need and that only this school can meet this need. Parents/carers must supply details of any such special factors at the time of the original application, together with recent supporting documentation. Such applications will not be considered without professional support – such as a letter or report from a doctor, consultant or social worker. Further guidance can be found on page 11.

Children from multiple births (eg twins, triplets)
Each school must set out in its admission arrangements how it considers applicants from multiple births when the admission limit may be exceeded to admit all children. In most cases, places will be offered to all children. You are, however, advised to check the full policy for the school(s) you are applying for if this is a concern for you as different rules may apply.

Admission criteria

The below criteria has been summarised and you will need to refer to the school’s website for the full admission policy and arrangements: www.burlingtondanes.org/secondary/admissions-policy

You can also obtain further information by visiting the school on the dates set out below.

After the allocation of children with an EHC plan*, the admission criteria will be applied in the following order of priority:

1. Looked After and previously Looked After Children*.
2. Children of staff at the school where there is a demonstrable skill shortage – children of members of staff will have priority in the oversubscription criteria if the staff member is filling a post for which there is a demonstrable skill shortage. Ark Schools is required to approve the principal’s designation of such posts and confirm the assessment that a member of staff appointed meets the requirements of the shortage. Priority will be limited to one place for each form of entry in any year.
3. Siblings*.
4. Up to 25% of the remaining places will be allocated to children who attend Church of England primary schools in the London boroughs of Brent, Ealing, Hammersmith & Fulham, Kensington and Chelsea and Westminster and, where there are more applications in this category than places, places will be offered on distance*.
5. Children of staff in the school – where there is no demonstrable skill shortage, priority may be given where the Academy is oversubscribed to a child of a person who will have been employed in the Academy for two or more years at the time the application for admission is made. Priority will be limited to one place for each form of entry in any year.
6. Distance from home to school*.

**Category B**

Catholic boys from practising Catholic families with a Certificate of Catholic Practice.

Within this category the following candidates will have priority:

1. Candidates who have a sibling at the School on the date of admission to the School. Candidates meeting this criterion will be placed at the top of Category B.

You can also obtain further information by visiting the school on the dates set out below.

To preserve the school’s comprehensive character by establishing a balanced intake across the ability range, the school will allocate all candidates into one of three bands by means of a non-verbal reasoning test. Admission will be as near as possible to the ratio of 25:50:25 of the national ability range.

Once allocated to an ability band, the test result will have no further relevance to the outcome of an application.

In the event of oversubscription in any band, it will be the admissions criteria and not the test score which determine whether or not a place is allocated.

Accordingly, in 2019 the school will admit 198 pupils into year 7 divided as follows:

- 49 girls allocated by the school to band 1;
- 100 girls allocated by the school to band 2; and
- 49 girls allocated by the school to band 3.

After the allocation of children with an EHC plan*, the admission criteria will be applied in the following order of priority:

Oversubscription criteria

1. Catholic ‘looked after’ girls and ‘previously looked after’ Catholic girls.
2. Catholic girls with a Certificate of Catholic Practice who have an exceptional medical or social need which makes it necessary for them to attend Sacred Heart High School Hammersmith, and no other school.
3. Catholic girls with a Certificate of Catholic Practice who have a sister on the roll at the school at the time of the application deadline.
4. Catholic girls with a Certificate of Catholic Practice who attend any Catholic primary school in any of the London boroughs which adjoin the borough of Hammersmith & Fulham, to include the borough of Hammersmith & Fulham, (‘the Adjoining Boroughs’): Brent; Ealing; Hammersmith & Fulham; Hounslow; Kensington and Chelsea; Richmond upon Thames; Wandsworth.
5. Catholic girls with a Certificate of Catholic Practice.

Admission criteria

The below criteria has been summarised and you will need to refer to the school’s website for the full admission policy and arrangements: www.wlfs.org/year-7

You can also obtain further information by visiting the school on the dates set out below.

After the allocation of children with an EHC plan*, the admission criteria will be applied in the following order of priority:

1. Looked after children and children who were previously looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).

2. Children whose parents are founders of the West London Free School and who have been granted this provision by the Secretary of State for Education.

3. Up to 12 children who have applied to be considered under the musical aptitude scheme. More information about how to apply for a musical aptitude test, as well as an application form, can be found on the school’s website at www.wlfs.org/admissions/musical-aptitude

4. Children who will have siblings in the school at the time when they are admitted to the school, provided those siblings joined the school before 31 July 2016.

5. Children of the school’s staff who’ve been employed for two or more years at the time at which the application for admission to the school is made or who have been recruited to fill a vacant post for which there’s a demonstrable skill shortage.

6. All children who are pupils at the West London Free School Primary and the Earl’s Court Free School Primary, provided they are applying in either 2020, 2021 or 2022. If there are more applicants in this category than there are places, places will be offered to those children who live nearest to the school, measured by the straight-line distance from the school gate to the child’s home. The distance criteria will be measured from the front gate of Palingswick House, 241 King Street, London W6 9LP, to the child’s home.

7. Children who will have siblings in the school at the time when they are admitted to the school. If there are more applicants in this category than there are places, places will be offered to those children who live nearest to the school, measured by the straight-line distance from the school gate to the child’s home. The distance criteria will be measured from the front gate of Palingswick House, 241 King Street, London W6 9LP, to the child’s home.

8. Children who will have siblings at the West London Free School Primary at the time when they are admitted to the school, provided those siblings are due to transfer to secondary school in 2020, 2021 or 2022.

9. After places have been filled under the first eight criteria, 50% of any remaining places will be offered to those children who live nearest to the school, measured by the straight-line distance from the school gate to the child’s home. The distance criteria will be measured from the front gate of the school, i.e. Palingswick House, to the child’s home.

10. After places have been filled under the first nine criteria, two thirds of any remaining places will be offered to children living within a one-mile radius of the front gate of the school. Where the number of applicants in this category exceeds the number of places, offers will be determined by random allocation.

11. After places have been filled under the first ten criteria, any remaining places will be offered to children living within a radius of between one and three miles of the front gate of the school. Where the number of applicants in this category exceeds the number of places, offers will be determined by random allocation.

12. After places have been filled under the first eleven criteria, any remaining places will be offered to children living beyond three miles from the front gate of the school. Where the number of applicants in this category exceeds the number of places, offers will be determined by random allocation.

Tie-break

Random allocation will be applied in the event of two or more applicants tying, e.g. Children with the same distance from home to school.

Twins and same-year siblings

Where applications are received from multiple birth or same-year siblings the following procedure will be followed: if one child is selected for a place according to one of the numbered oversubscription criteria, the multiple birth/same-year sibling will be ranked immediately below looked after children.

*Common definitions can be found on pages 24-25.
School information

Musical aptitude scheme
Full details of the specialist music scheme are given on the school’s website: www.wlfs.org/admissions/musical-aptitude

Parents and carers who wish their children to be considered for a specialist music place must complete a supplementary application form. A candidate for a specialist music place will be required to attend a musical aptitude test at the school. Further details of the location and times for tests will be sent to applicants for specialist music places. The results of the aptitude tests will be used to determine the offer of places under criterion 3. The school will take all reasonable steps to inform parents of the outcome of selection tests before 31 October 2018.

In-year admissions

www.lbhf.gov.uk/schooladmissions
020 8753 1085

An in-year admission is when an application for a school place needs to be made outside the normal admission round (the first year of entry to a school). In most cases your reason for making an application will be that you have moved to a new address, moved from abroad or you would like to transfer your child from one to school to another. There is a separate process for applying in-year for a school place.

Fair access protocol

www.lbhf.gov.uk/schooladmissions
020 8753 1085

Every school is committed to taking its share of vulnerable children who are hard to place in accordance with locally agreed protocols. Accordingly, outside the normal round of admissions, the school governing bodies are empowered to give absolute priority to a child whose admission is requested under Hammersmith & Fulham’s fair access protocol, which carries the agreement of both the governing body and local authority for the current admission year. School governing bodies have this power even for cases when admitting such a child would cause the school to exceed its published admissions number.
**Support for school attendance**

**020 8753 6600**

After you have been allocated a school place, making sure your child attends school regularly and on time every day is really important, not only to make sure they have the best possible chance to get the most out of their education but also because children who are not in school are more likely to get into trouble outside school or be vulnerable. Parents have a legal responsibility to get their children to school, but if you are having difficulties with this, it is important you talk to school staff, who are there to help you.

You or school staff may feel you need some extra help. Hammersmith & Fulham Council has professional staff who work with families and with children who are not attending school. They are based in the Family Support Service (FSS) www.family-support.org.uk and can be contacted on 020 8753 6600. This multi-disciplinary team will work with schools, children and parents to improve children’s school attendance and reduce unnecessary absence and truancy.

There is also a central team – the ACE Team – located on the 3rd Floor, 145-155 King Street, contact 020 8753 6231. The ACE team concentrate on the following areas of work: statutory action in relation to school attendance (issuing penalty notices or processing legal action on behalf of schools for entrenched non-attendance, when FSS are not involved), child employment and children in entertainment, elective home education and children missing education.

**Disabled Children’s Team**

**020 8753 3321**

This team offers information, advice, support and practical help to families with children who have a permanent and substantial disability or long-term illness that affects their everyday living. The team offers advice on how to access services available for children and young people who have disabilities. The initial way to contact the team is through the duty social worker who is available on 020 8753 3321.

**Special Educational Needs and Education, Health and Care Plans**

**020 8753 1021**

Most children and young people with Special Educational Needs (SEN) and/or disabilities will have their needs met within local mainstream early years settings, schools or colleges. Hammersmith & Fulham works with all settings to help them with identifying, assessing and making provision for pupils with SEN. All mainstream school and college settings have funding so that they can meet the needs of pupils with SEN.

If you are applying to a new school and you think your child may have a special educational need, the first step is to talk with the headteacher and/or SENCO when you visit the school. They will be able to talk to you about the support they provide for children with learning needs and how they could meet your child’s needs. They must also publish this information on their websites: this is usually called their SEN Information Report.

The local authority expects all mainstream schools to support children with special educational needs, and to work with parents to develop an SEN Support Plan: this will record what is happening to support your child, and the progress s/he is making as a result.

Some children and young people with SEN or disabilities may need support that cannot be provided from the resources of a mainstream school alone. Once all the resources and support in the school have been put into place and there has been time to see what the effect is, the school may then discuss the possibility of an Education, Health and Care (EHC) Needs Assessment with you. This assessment is coordinated by the local authority and as well as education, it involves health and social care assessments. However, the school would discuss this in detail with you before requesting an assessment, and an assessment would only take place with your clear agreement.

If your child already has an EHC plan, the information relating to the application process set out in this brochure does not apply to you as the local authority needs to work with you to agree the best place for your child. To discuss these arrangements, please contact the EHC Planning Service on 020 8753 1021 or send@lbhf.gov.uk

Educational Psychology Service

020 8753 6604

Every school has a link educational psychologist (EP) – a specialist in how children, young people and young adults develop and learn.

Schools have a limited amount of free access to an EP to support them to manage Special Educational Needs processes and systems. In addition schools can buy in school visits from their link educational psychologist.

Help may be asked for when pupils show difficulties with their social-emotional development (including wellbeing/mental health), behaviour, learning or progress generally in school. Educational psychologists can only directly work with a named pupil if parents/carers give informed consent. Parents/carers themselves may ask for their help through the school.

Educational psychologists can also provide general consultative support and guidance for groups or school wide issues as well as research and training.

Assistance with home-to-school travel

www.lbhf.gov.uk/schooladmissions
020 8753 1085

All children under 16 in full-time education can travel free on bus and tram services. All school pupils will be required to carry a Zip Oyster photocard to travel free on buses and trams. For further information, please visit the Transport for London (TfL) website at www.tfl.gov.uk

It is expected children who are resident in Hammersmith & Fulham make use of the concessions offered by TfL, including free travel across London. However, there may be circumstances where travel assistance is required outside the scope of free arrangements offered by TfL. In this instance, the London Borough of Hammersmith & Fulham will take account of the statutory requirements.

The full policy and application form are available at www.lbhf.gov.uk/schooladmissions or by contacting the admissions team.

Free school meals and school clothing grants

www.lbhf.gov.uk/contact_counciltax_benefits
020 8753 6681

Free school meals and school clothing grants are available for pupils whose parents/carers receive certain benefits (see below). For further advice, you can contact the team by calling 020 8753 6681 between 9.00am and 5.00pm (option 4). You can also book an appointment online or download an application form at www.lbhf.gov.uk/benefits/student-benefits-and-grants

Rates: £79 for children aged 11 and 14 before 1 September.

Your children qualify for free school meals and/or clothing grants to buy school uniforms if you receive any of the qualifying benefits:

- Income Support
- Income-based Job Seekers Allowance
- Income-related Employment and Support Allowance
- Guaranteed Pension Credit
- You are supported under the National Asylum Seekers Support System (NASS)
- Child Tax Credit, but not Working Tax Credit and have an annual taxable income of less than £16,190
- Universal Credit (provided you have an annual net earned income of no more than £7,400).

More information on clothing grants

If you live outside Hammersmith & Fulham, you should apply to your own authority. The criteria for qualifying for clothing grants are the same as listed above for free school meals entitlement, as are the contact and appointment details.

Universal Credit transitional protection

Pupils currently receiving free school meals will continue to receive them while Universal Credit is rolled out. This will apply even if your earnings rise above the new threshold during that time.

Once Universal Credit is fully rolled out, pupils receiving free school meals but who no longer qualify for them because your earnings have risen above the new threshold will continue to receive them until the end of their current phase of education (primary or secondary).
All children under 16 in full-time education can travel free on bus and tram services with a Zip Oyster photocard

Education choices for 14-19 year olds
A separate brochure is produced which provides detailed information on the education choices for 14-19 year olds in Hammersmith & Fulham and beyond: Pathways to Success, Education Options for 14-19 year olds.

University Technical Colleges (UTCs)
UTCs are free, non-selective, high-quality education secondary schools for students aged 14-19 year old.
Backed by employers and universities, UTCs combine technical, practical and academic learning in a curriculum offering students first-hand experience of life in the working environment.
UTCs specialise in science, technology, engineering and maths (STEM) subjects which are designed to be applied in the workplace. The curriculum will include up to two specialisms linked to regional skills gaps. In addition, students can study GCSEs, A Levels and other relevant qualifications matched to the UTC specialisms.
Each University Technical College aims to deliver approximately 600 places for 14-19 provision. Grouped under nine regional areas each UTC catchment area may cover more than one local authority.

Studio Schools
A studio school is a type of secondary provision which is designed to give students practical skills in workplace environments as well as traditional academic and vocational courses of study. In addition, students can access the National Curriculum academic and vocational qualifications. Hammersmith & Fulham has one studio school.

Fulham Enterprise Studio
The Studio School is open to boys and girls aged 14-19 and offers a different mainstream education, with out-of-school learning a key feature. William Morris Sixth Form
William Morris Sixth Form (WMSF) was established in 1994 as the country’s first 16-19 comprehensive school, providing education to students from Hammersmith & Fulham as well as young people from across the whole of London.

The sixth form offers a very wide range of subjects at AS and A Level, BTEC, GCSE and the Extended Project Qualification, as well as an extensive enrichment and sports programme.

The sixth form has a long-standing reputation for providing a supportive and inclusive environment where the needs of each individual student are understood and met. Each year nearly 300 students successfully progress to university, including Russell Group universities and Oxbridge.

WMSF is able to admit up to 400 new students each year and welcomes applications from all students who will be aged 16-18 on 31 August in the year of starting their programme. WMSF is oversubscribed, so it is strongly advised all students apply before the end of January to secure an interview.
