## EVENT DAY TRAFFIC PLAN – IMPORTANT INFORMATION

### To Residents and Businesses in the Hurlingham Park area

**CHESTERTONS POLO IN THE PARK WILL BE RETURNING TO HURLINGHAM PARK ON  
FRIDAY 9<sup>th</sup>, SATURDAY 10<sup>th</sup> & SUNDAY 11<sup>th</sup> JUNE 2017**

#### TEMPORARY TRAFFIC AND PARKING RESTRICTION INFORMATION

As in previous year of holding this event a traffic plan must be implemented in order to deal with the additional traffic the event creates. Following feedback from local residents from 2016 we are seeking to alleviate congestion during the event on Linver Road. Therefore as well as the regular traffic plan that converts Hurlingham Road into a one-way street heading Westbound from Linver Road junction to Foskett Road Junction, we will also be making Linver Road one-way Northbound from Hurlingham Road to New Kings Road. Appropriate Chapter 8 and Diversion Directional signage will be in place and qualified street teams will be on hand to manage and direct traffic where appropriate.

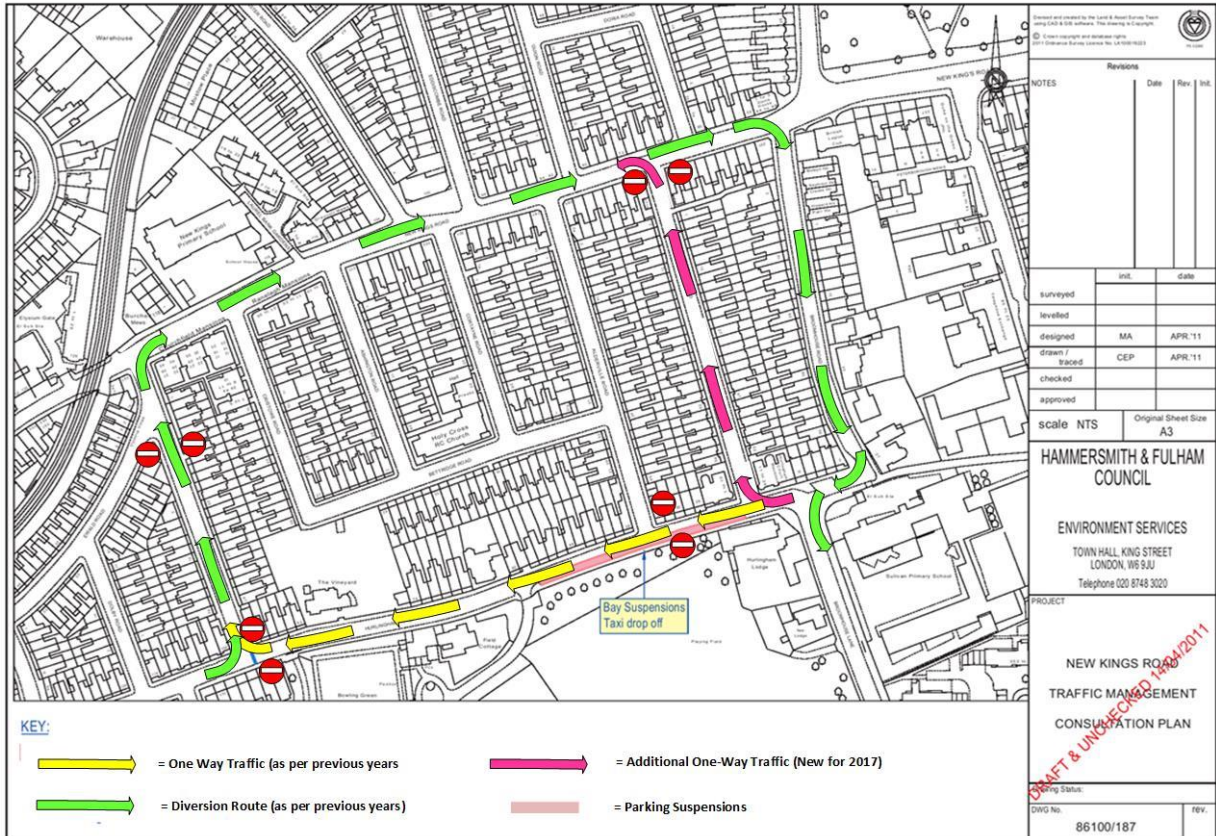

Times for the implementation of this traffic system are as follows:

- Friday 9<sup>th</sup> June: 1130hrs – 2130hrs
- Saturday 10<sup>th</sup> June: 1130hrs – 2030hrs
- Sunday 11<sup>th</sup> June: 1100hrs – 1930hrs

Outside of these hours, signage will be removed and the road system will be as normal. Please see the below map for clarification of the entire traffic system during these hours.

As in previous years, parking suspensions will be in force on the south side of Hurlingham Road from the entrance to the park to Broomhouse Lane for the three days of the event. The one way system reduces the number of suspended parking bays by 50%.

Sportgate International Ltd apologises for any inconvenience during Chestertons Polo in the Park 2017 event period and would like to thank you in advance for your patience.
