

Hammersmith & Fulham Safer Neighbourhood Board Nomination Form

The Hammersmith & Fulham Safer Neighbourhood Board is now recruiting new Representatives to join the Board. Can you help improve local policing and community liaison by joining this influential body?

Overview:

The Safer Neighbourhood Board (SNB) is the primary borough-level mechanism for local engagement on policing and community safety. Introduced by the Mayor of London's Office for Policing and Crime (MOPAC), the Board has several functions which include establishing local policing and crime priorities as well as monitoring police performance and confidence. It consists of local residents including ward panel members, Neighbourhood Watch members and representatives of the Stop and Search Committee, and is now seeking to extend beyond these groups.

The Board meets four times a year, with additional meetings for some members with MOPAC at City Hall, or being involved in community engagement events.

For more information on SNBs please download MOPACs SNB Guidance https://www.london.gov.uk/sites/default/files/gla_migrate_files_destination/Safer%20Neighbourhood%20Boards%20Guidance.pdf

Membership:

- disabled people
- people who are affected by substance misuse
- black and minority ethnic groups
- people with different faith backgrounds
- younger people
- older people
- survivors of domestic violence
- victims of crime

Then we would like to hear from you.
