

EDITH SUMMERSKILL HOUSE – DEMOLITION NEWS

No 1, April 2017

Dear Resident

Squibb Demolition Limited have been appointed by the London Borough of Hammersmith & Fulham to carry out the demolition of Edith Summerskill House.

Please come to the information event about the demolition at 7pm on 4 May at the Clem Attlee Tenants Hall.

We'll shortly begin three weeks of preparation – extending the existing site hoarding and establishing our site welfare, and then stripping out the block inside and erecting external scaffolding.

At the end of June, we'll begin 26 weeks of demolition. The work is scheduled for completion by November 2017.

Demolition work will take place **on Monday to Friday from 8am to 6pm**. On **Saturday, it will be from 8am to 1pm** with no noisy work until 10am. Any work outside these hours will be in exceptional circumstances only and would have to be agreed with the council, with residents notified in advance.

The site will have 24-hour security and the work will be carried out in accordance with the council's strict guidelines on site activities.

We will be doing everything possible to protect residents and businesses from excessive noise, dust and other environmental impact during the demolition.
