Swim Safely

Your safety is our priority when swimming with us.

- Children under 8 must be actively supervised at all times both in the pool and around the centre.
- 1 adult must accompany no more than 2 children in the pool at a time.
- Appropriate swimwear must be worn that is fit for purpose. No underwear or loose clothing should be worn.

Information

In the event of an emergency or shortage of female lifeguards, male staff may need to be present on poolside. If male lifeguards are on duty you will be informed at reception.

Male staff will need to enter the changing village 30 minutes after the women only sessions have ended.

Male members may access the fitness studio 5 minutes after women only fitness sessions have ended.
