

# Christmas Collection Days

Your guide to household recycling and rubbish collections this Christmas

## HELP US BECOME THE GREENEST BOROUGH IN THE COUNTRY

We want to help you recycle as much as possible over Christmas. See the table below for the changed collection dates; all other collection dates will remain the same to minimise disruption caused by the holidays.

# RECYCLE MORE

## HELP US BECOME THE GREENEST

Recycling sacks and banks are for clean and dry:

Mixed paper & card

Mixed glass bottles & jars

Household plastic packaging

Food tins & cans

Cartons

## Top recycling

mobile phones

small appliances

● If you've received new electrical appliances, your old items can be recycled. Smaller items like hairdryers and mobile phones can be recycled in Waste Electrical and Electronic Equipment (WEEE) banks around the borough, in libraries and council offices.

batteries

● Old batteries can be taken to recycling bins in libraries and council offices. There are bins at many larger supermarkets and other retailers.

mixed textiles & clothes

● Clothes, shoes and textiles can be recycled at textile recycling banks located around the borough; to find out where, visit [www.recyclenow.com](http://www.recyclenow.com)

If you run out of clear recycling sacks with the extra Christmas recycling you can pick up another roll from your local library or council building.

# THIS CHRISTMAS ST BOROUGH IN THE COUNTRY

## Christmas cling tips

mixed  
paper & card

● Christmas cards and wrapping paper (not metallic wrapping paper) can be recycled in your clear sack.

food waste

● To help reduce your food waste this Christmas, check out [www.lovefoodhatewaste.com](http://www.lovefoodhatewaste.com) for shopping tips, leftover recipes and a portion calculator. Also visit [www.lbhf.getcomposting.com](http://www.lbhf.getcomposting.com) to find out how to order a subsidised home composter to make top quality fertiliser with Christmas leftovers.

Recycling sacks  
and banks are  
not for:

Textiles

Metallic wrapping  
paper

Plastic bags

Polystyrene

Food-soiled  
packaging

Food waste

**REAL  
TREES  
ONLY**

## Free Christmas Tree Recycling Collection

Last year you helped us recycle over 75 tonnes of Christmas trees, which were composted.

If your recycling and rubbish is collected in sacks from outside your home, leave your real tree in your front garden or outside your property for recycling. It should:

- Be clearly visible from the street and not hidden behind walls or plants
- Not cause an obstruction on the pavement
- Not have any pots or decorations on it.

- Trees must be ready for collection by midday on your collection day (check your collection day on the front page of this leaflet) between **Tuesday 3 and Friday 13 January 2017**, but they will not be collected until the afternoon.

**There are designated collection points where you can take your real Christmas trees for recycling:**

**New King's Road**  
(on edge of Eel Brook Common)

**Fulham Palace Road Cemetery**  
(opposite Queensmill Road)

**Normand Park**  
(opposite Lillie Road entrance)

**Loris Road Community Gardens**

**Ravenscourt Park**  
(by football pitch)

**Wormwood Scrubs car park**  
(off Scrubs Lane)
