# Borough Forecast 2015-16

Forecast 2015-16 – Hammersmith & Fulham

Using historic data and the current level of offences in 2015-16 a forecast for 2015-16 can be generated. This suggests that total offences in 2015-16 will be slightly higher than total offences in 2014-15.

# Current Situation

1. Long term reduction in crime BUT recent trend upwards
2. Significant changes to the way the police work - Local Policing Model
3. Council fund 44 police officers
4. Government spending review, 25<sup>th</sup> November
5. Regardless of outcome - major changes to policing
6. Crime is changing - fraud, cyber crime

# Questions?

1. What does the community want / expect from it's police?
2. If neighbourhood policing continues to reduce, how should the community respond?
3. Recognise the changing face of crime  
Terrorism - > Cyber
4. Today - local crime issues
